Founding Director Ithaca, NY
Office for Women and Minorities in Business 1/99-7/05
Cornell University, Johnson Graduate School of Management
Founding director. Led an effort involving corporate, alumni, and student partners to increase enrollment of women and minority MBA students and improve the ability of all students to lead in a diverse and inclusive business community. Secured funding for numerous programs enabling the Johnson School to triple minority enrollment in three years. Wrote several successful grant proposals, presented work at two national conferences.

President, Founder Ithaca, NY
Noble Economic Development Group 5/95- 1/99
Owner of a consulting practice dedicated to developing opportunities for citizen participation in healthy economies. Client projects include: the design and implementation of microenterprise development programs for low-income individuals; assisting a financial institution with outreach efforts and assessment of customer service to its small business clients; also provided business plan writing and general consulting to start-up and existing businesses. Clients included: Ithaca Urban Renewal Agency, Cornell Cooperative Extension, Alternatives Federal Credit Union, the City of Ithaca the World Bank and IBM.
