FORT HAYS STATE UNIVERSITY (Hays, Kansas). B.A. in Philosophy (1972).
Graduated summa cum laude.

Membership

Pacific Council on International Policy. (2016 - 2021)

Publications and Presentations

“Ethics in Biotechnology,” talk given to the Department of Biology’s graduate class, “Applied Biotechnology,” College of Arts and Sciences, Syracuse University, May 6, 2021.

“The Responsible Conduct of Research,” workshop presentations with graduate students working on federally funded research, Syracuse University, March 6 and March 12-13, 2021.

“The One Question Sen. Cruz Must Answer,” op-ed, *The Hill*, January 5, 2021.

“If Government’s First Duty Is to Protect Us, How Can Masks in Public Be Optional?,” op-ed (with Martin Dobbelle), *The Hill*, July 26, 2020.

“Voting Can Seem Irrational—But You Should Do It Anyway,” op-ed (with Martin Dobbelle), *The Hill*, July 9, 2020.

“Ethical Decision Making in Public and Nonprofit Leadership,” talk given to capstone MPA class, “Leadership,” Maxwell School of Citizenship and Public Affairs, Syracuse University, June 18, 2020.

“Ethical Decision Making in Operations,” talk given to “Semester in Strategic Operations” class, Samuel Curtis Johnson Graduate School of Management, Cornell University, April 29, 2020.

“The Responsible Conduct of Research,” workshop presentation with graduate students working on federally funded research, Syracuse University, February 14, 2020.

“Should President Trump Receive a Fair Trial? Mitch McConnell, Meet Alexander Hamilton,” op-ed, *The Hill*, January 4, 2020.

“Engineering Ethics,” talk given to Professor Jay Henderson’s “Introduction to Engineering” class, College of Engineering and Computer Science, Syracuse University, December 3, 2019.

“The Responsible Conduct of Research,” workshop presentations with graduate students working on federally funded research, Syracuse University, October 25-26, November 1, 2019.

“Academic Integrity and Ethics in Engineering Research,” talk given to the Electrical Engineering and Computer Science Department’s Ph.D. class, “Fundamentals of Research,” College of Engineering and Computer Science, Syracuse University, September 25, 2019.

“The Responsible Conduct of Research,” talks given to the Department of Biology class, “Graduate Student Seminar,” College of Arts and Sciences, Syracuse University, September 3 and September 10, 2019.

“Research Ethics,” talk given to participants in the Summer Engineering Research Internship Program for High School Students, College of Engineering and Computer Science, Syracuse University, July 3, 2019.

“Ethical Decision Making in Public and Nonprofit Leadership,” talk given to capstone MPA class, “Leadership,” Maxwell School of Citizenship and Public Affairs, Syracuse University, June 18, 2019.

“Ethical Leadership in Public Service and Civil Society,” workshop presentation with Young African Leadership Initiative Fellows, Maxwell School of Citizenship and Public Affairs, Syracuse University, June 15, 2019.

“The Responsible Conduct of Research,” talk given to the Syracuse Biomaterials Institute’s Summer Research Experience for Undergraduates, College of Engineering and Computer Science, Syracuse University, June 12, 2019.

“Ethics in Biotechnology,” talk given to the Department of Biology’s graduate class, “Applied Biotechnology,” College of Arts and Sciences, Syracuse University, April 12, 2019.

“Ethical Decision Making in Operations,” talk given to “Semester in Strategic Operations” class, Samuel Curtis Johnson Graduate School of Management, Cornell University, March 27, 2019.

“The Responsible Conduct of Research,” workshop presentations with graduate students working on federally funded research, Syracuse University, February 22 -23, 2019.

“Ethical Decision Making in Management,” Residency course (1 credit) taught for the online program MBA@Syracuse, Martin J. Whitman School of Management, Syracuse University, January 4-6, 2019.

“Academic Integrity and Ethics in Engineering Research,” talk given to the Electrical Engineering and Computer Science Department’s Ph.D. class, “Fundamentals of

Research,” College of Engineering and Computer Science, Syracuse University, October 31, 2018.

“Engineering Ethics,” talk given to Professor Katie Cadwell’s “Introduction to Engineering” class, College of Engineering and Computer Science, Syracuse University, October 31, 2018.

“The Responsible Conduct of Research,” workshop presentations with graduate students working on federally funded research, Syracuse University, October 26-27, November 2-3, 2018.

“Engineering Ethics,” talk given to Professor Jay Henderson’s “Introduction to Engineering” class, College of Engineering and Computer Science, Syracuse University, October 18, 2018.

“Ethical Leadership in Public Service and Civil Society,” workshop presentation with Young African Leadership Initiative Fellows, Maxwell School of Citizenship and Public Affairs, Syracuse University, July 2, 2018.

“The Responsible Conduct of Research,” talk given to the Syracuse Biomaterials Institute’s Summer Research Program for Undergraduates, College of Engineering and Computer Science, Syracuse University, June 13, 2018.

“Citizens Divided: How a Politics of Contempt Threatens Our Democracy,” invited post on the Online Executive MPA Program Blog, Maxwell School of Citizenship and Public Affairs, Syracuse University, April 13, 2018.

“Ethics in Biotechnology,” talk given to the Department of Biology’s graduate class, “Applied Biotechnology,” College of Arts and Sciences, Syracuse University, April 13, 2018.

“Ethical Decision Making in Operations,” talk given to “Semester in Strategic Operations” class, Samuel Curtis Johnson Graduate School of Management, Cornell University, April 9, 2018.

“The Responsible Conduct of Research,” workshop presentations with graduate students working on federally funded research, Syracuse University, April 6, April 7, 2018.

Interview with host Ailsa Chang on National Public Radio’s “All Things Considered,” concerning decisions by Dick’s Sporting Goods to stop selling assault-style weapons and not to sell guns to people under 21. February 28, 2018.
