

Harry de Gorter

Vita

Charles H. Dyson School of Applied Economics and Management
Cornell University
Room 460, Warren Hall
Ithaca, NY USA 14853-7801
tel.: (607) 255-8076
fac.: (607) 255-9984
E-mail: hd15@cornell.edu

Home Address:
621 Highland Road
Ithaca, NY 14850
tel. 607-227-4086

Citizenship: United States, Canada

Gender: Male

Education

B.Sc., M.Sc. (Agricultural Economics and Business) University of Guelph, 1971-1977.
Ph.D. (Agricultural and Resource Economics), University of California at Berkeley, 1979-1983.

Job Experience

Professor, Charles H. Dyson School of Applied Economics and Management, Cornell University, Ithaca, New York, 2009 - present.

Associate Professor, Charles H. Dyson School of Applied Economics and Management, Cornell University, Ithaca, New York, 1993-2008.

Assistant Professor, Charles H. Dyson School of Applied Economics and Management, Cornell University, Ithaca, New York, 1987-1992

Senior Economist, International Trade Policy Division, Agriculture Canada, Ottawa, Ontario, 1983-1986

Research Assistant, Department of Agricultural and Resource Economics, University of California at Berkeley, 1979-1983

Trade Analyst, International Trade Policy Division, Agriculture Canada, Ottawa, Ontario, 1978-1979

Professional Affiliations

Member of International Agricultural Trade Research Consortium (IATRC)
Member of American Agricultural Economics Association (AAEA)
Member of European Association of Agricultural Economics (EAAE)
Member of International Association of Agricultural Economics (IAAE)

Awards and Honors

Bruce Gardner Memorial Prize for Applied Policy Analysis Award *American Applied Economics Association* (2023)
Quality of Communication Award *American Applied Economics Association* (2011) (also won award with a chapter in a book 1991, 2006)
Outstanding Journal Article *American Journal of Agricultural Economics* (Honorable Mention 2008)
Outstanding Journal Article *American Journal of Agricultural Economics* (Finalist 1985; 1992)
Outstanding Journal Article *Journal of Agricultural and Resource Economics* (1993)
Chapter in The International Library of Critical Writings in Economics (M. Blaug, series editor)
Chapter in North-Holland's Handbook of Economics (K. Arrow and M. Intrilligator, series editors)
Chapter in Princeton Encyclopedia of Economics (2008)

Research Interests (Agricultural Economics)

Domestic and trade policy, food waste, biofuels, international trade negotiations and the WTO, applied welfare economics, political economy, public goods, and the environment

Consultancies

World Bank; OECD; IMF; WTO; UNCTAD Geneva; Inter-American Development Bank; UN-FAO Rome; California Air Resources Board; Paul Hastings Law Firm; EU Commission; USAID; Government of Canada; UNICA Sao Paulo; ICONE Sao Paulo; Cato Institute; UNIGRAINS Paris; Kraft Foods International; ICTSD Geneva; Swedish International Development Agency; JRG Consulting Guelph; CAPI Ottawa; Nuffield Foundation UK

“Impact of Beef Imports on the Canadian Beef Market,” Working Paper #11, International Trade Policy Division, Agriculture Canada, March 1980 (with R. Lattimore).

“A Quarterly Econometric Model of the North American Feed Grain Industry,” in Commodity Forecasting Models for Canadian Agriculture, Volume 1, Agriculture Canada. September 1978 (with K. Meilke).

Paper Presentations

de Gorter, H. (2020). “The Economics of Food Loss and Waste”. Seminar to the World Bank. February.

de Gorter, H. (2019). “Policy Considerations for Food Loss and Waste.” Input for The State of Food and Agriculture (SOFA) 2019: Food losses and waste. Rome. February.

de Gorter, H. (2018). “Policy Considerations for Food Loss and Waste.” Input for The State of Food and Agriculture (SOFA) 2019: Food losses and waste. Rome. October.

de Gorter, H. (2017). “Market Effects and Welfare Impacts of the Renewable Fuel Standard.” USDA, Washington November.

de Gorter, H. (2017). “Policy Considerations for Food Loss and Waste Reduction” (2017) FAO High Level Group on Food Waste and Losses, Rome, September.

de Gorter, H. (2017). “What crude oil prices and biofuel policies will allow real prices for grain and oilseeds to continue their historical path of decline?” A paper presented in an Organized session “Biofuels Enter the Post-2020 Period: Challenges and Market and Welfare Effects” at the XV EAAE Congress 2017, Parma, Italy August 29 – September 1.

“Structural Foundations for Pass-Through under the Renewable Fuel Standard.” AAEA Invited Session meetings Chicago 2017 July.

“Biofuels 10 Years Later: What We Have NOT Learned.” A plenary presentation at the 20th ICABR Conference “Transforming the Bioeconomy: Behavior, Innovation and Science” Ravello (Amalfi Coast – Italy) June 26 - 29, 2016

“Biofuels and Vertical Price Transmission: The Case of the US Corn, Ethanol, and Food Markets” (with Dusan Drabik, Pavel Ciaian and Jan Pokrivcak).

(a) *Improving Performance of Agriculture and the Economy: Challenges for Management and Policy*. A conference organized by the Faculty of Economics and Management of the Slovak Agricultural University in Slovakia. May 21, 2014 in Podbanské, High Tatras, Slovak Republic.

(b) Mendel University in Brno, The Czech Republic, November 14, 2014.

“An Economic Model of Brazil’s Ethanol-Sugar Markets and Impacts of Fuel Policies: Implications for World Commodity Prices” (with Dusan Drabik, Govinda R. Timilsina and Erika M. Kliaugas).

(a) Slovak Agricultural University, Nitra, Slovakia, December 10, 2012

(b) JRC-IPTS, Seville, Spain, October 4, 2013

(c) Agricultural Economics and Rural Policy Group, University of Wageningen, Wageningen, The Netherlands November 25, 2013.

“The Theory of Biofuel Policy and Food Grain Prices”

- (a) Slovak Agricultural University, Nitra, Slovakia, December 16, 2011
- (b) Comenius University, Bratislava, Slovakia, January 9, 2012
- (c) University of Ljubljana, Slovenia, April 24, 2013

“Prices Matter: EU Analysis of Food and Energy Competition relative to Land Resources.” A paper presented at the 14th EAAE Congress “Agri-Food and Rural Innovations for Healthier Societies” Ljubljana, Slovenia, August 26-29, 2014 (Dusan Drabik, Justus Wesseler).

“Developing Countries’ Policy Responses to Food Price Boom and Biofuel Policies”

- (a) A paper presented at conference “Food in the Bio-based Economy; Sustainable Provision and Access” Wageningen, The Netherlands, May 27-29, 2015
- (b) A paper presented at the 19th ICABR Conference “Impacts of the Bioeconomy on Agricultural Sustainability, the Environment and Human Health” Ravello (Amalfi Coast – Italy) June 16 - 19, 2015
- (c) A paper presented at the 29^h ICAE conference “Agriculture in an Interconnected World” Milan, Italy, August 8-14, 2015
- (d) A paper presented at 2nd International Conference on Global Food Security 11-14 October 2015 | Cornell University, Ithaca, New York, USA

“The Economics of Biofuel Policies: Impacts on Price Volatility in Grain and Oilseed Markets” Presentation at Berkeley Bioeconomy Conference: The Future of Biofuels U.C. Berkeley Alumni House, April 1 and 2, 2015

“The Economics of Biofuel Policies: Impacts on Price Volatility in Grain and Oilseed Markets” Presentation to US Davis Seminar Series. May 1, 2015.

“Agriculture: a “new normal” for food and agriculture markets” presentation to the WTO Energy markets: the impact of trade in biofuels and farm goods sponsored by ICTSD Geneva Switzerland 2 June 2015

“The Political Economy of Biofuel Policies in the US, the EU and Brazil” presentation in AAEA session titled The Political Economy of Food and Bio-Energy Policy in an Age of Price Volatility: International Perspectives summer meetings July 27 San Francisco 2015

“The Political Economy of U.S. and EU Biofuel Policies” paper presented at the 29th ICAE conference Agriculture in an Interconnected World Milan, Italy, August 8-14, 2015

“The Economics of Biofuel Policies: Impacts on Price Volatility in Grain and Oilseed Markets” presentation to the FAO Rome Italy 16 June 2015

“The Economics of Biofuel Policies: Impacts on Price Volatility in Grain and Oilseed Markets” Book Talk Chat in the stacks Mann Library Thursday, November 5, 2015 Cornell University Ithaca NY

“The Economics of Biofuel Policies in Developing Countries: The Case of the Fuel-Ethanol-Sugar Complex in Zimbabwe.” A paper presented at the 29th ICAE conference “Agriculture in an Interconnected World” Milan, Italy, August 8-14, 2015 (with Harry de Gorter and Govinda R. Timilsina)

An Economic Model of Brazil’s Ethanol-Sugar Markets and Impacts of Fuel Policies 14th EAAE Congress “Agri-Food and Rural Innovations for Healthier Societies” Ljubljana, Slovenia, August 26-29, 2014.

How Biofuels Policies Caused the Food Commodity Price Boom. Presentation Wageningen University May 14, 2014.

"Understanding Modern Global Food Commodity Markets" Food & Agribusiness Management Program, Cornell University 29 July 2

"How Biofuels Policies Caused the Food Commodity Price Boom Presentation" Nitra University Conference High Tatras Slovakia "Improving Performance of Agriculture and the Economy: Challenges for Management and Policy", from May 21, 2014 in Podbanské, High Tatras, Slovak Republic.

"Socioeconomic Issues and Biofuel Energy" NARDeP Webinar, 27 October 2014
<http://www.nardep.info/uploads/deGorterPresentationNARDeP.pdf>

"Trends in Agricultural Domestic Support and Biofuel Policies: Implications for the WTO and Environmental Sustainability" ICTSD Conference "The Politics of Agricultural Trade and Sustainable Development" 18 November 2014 Buenos Aires, Argentina.

“Brazil Ethanol Policies and World Food Commodity Prices” A paper presented at the IATRC Annual Meeting, December 15 -17, 2013 Clearwater Beach, Florida

“Biofuels and Vertical Price Transmission: The Case of the U.S. Corn-Ethanol (Some Theoretical Insights).” A paper presented at the AIEAA Conference 2013: “Between Crisis and Development: Which Role for the Bio-Economy”, Parma, Italy 6-7 June 2013 (Dusan Dabik Pavel Ciaian, Jan Pokrivcak, and d’Artis Kancs).

“Biofuels: Costs and Benefits.” (2013). STEP Technical Exchange on Emerging Technologies’. Impact on U.S. Energy Security 3-4 December, Tyson’s Corners, VA.

“The Effects of Biofuels Policies on the level and Volatility of Food Grain & Oilseed Prices.” (2013). Rutgers Energy Institute and Department of Agricultural, Food, and Resource Economics Rutgers University, April 26.

“Cotton Subsidies in the U.S.: A look at the upcoming Farm Bill.” (2013). ICTSD Roundtable Developments in Cotton: How do Domestic Policies Relate to International Trade? 18 March, Geneva Switzerland.

“New Era for U.S. Farm Bill Deliberations.” (2013). World Trade Organization Symposium Dialogue on the Upcoming US Farm Bill: Changing Patterns of Support and Trade 19 March, Geneva, Switzerland.

- “Biofuel Policies in the U.S. and Globally: Food Price Effects and Sustainability.” (2013). Trends in Global Biofuels Markets: Sustainability Policy and Trade UNCTAD, Palais des Nations, 19 March Geneva, Switzerland.
- “Understanding Our Challenges in Energy, Food and Climate Change: Implications for the U.S. and Japan – Discussion.” (2013). U.S.-Japan Research Institute, 25 February, Washington DC.
- “An Economic Model of Brazil’s Ethanol-Sugar Markets and Impacts of Fuel Policies: Implications for World Commodity Prices.” (2012). Seminar The Joint Bank-Fund Brown-Bag Research Seminars on Environment and Energy, World Bank 16 October.
- “The Political Economy of U.S. and EU Biofuel Policies.” 2012 Invited Panel presentation Political Economy of Policy Instruments for the Bio-economy at the 28th IAAE Triennial Conference, The Global Bio-Economy, Foz do Iguacu, Brazil, 18- 24 August.
- “Optimal Biofuel Policies for a Small Developing Country.” Invited Panel presentation Biofuels, Policies and Poverty at the 28th IAAE Triennial Conference, The Global Bio-Economy, Foz do Iguacu, Brazil, 18- 24 August 2012.
- “Optimal Ethanol Policies for the U.S. in a General Equilibrium Framework.” Selected paper at Agricultural and Applied Economics Association 2012 Annual Meeting, Seattle Washington, 13-16 August 2012.
- “U.S. Policy Contributions to Food Grain Commodity prices.” Paper for UNU-Wider Workshop on The Political Economy of Food Price Policy, Cornell University, Ithaca NY, 9-12 July 2012.
- “Costs and Benefits of Biofuel: US and EU Perspectives.” Paper for invited address at the 16th ICABR Conference 128th EAAE Seminar, Ravello Italy, 24-27 June 2012.
- “Biofuel Policies & Food Grain Commodity Prices: All Boom & No Bust?” Paper for keynote address at conference entitled Global Commodity Markets: New Challenges and the Role of Policy, Nitra Slovakia, 15-17 May, 2012.
- “The Implications of Biofuels for the new US Farm Bill.” Paper presented for a symposium on Agricultural trade policy in the United States: Can reform advance domestic policy objectives and sustainable development? International Centre for Trade and Sustainable Development, Washington DC, 12 April, 2012.
- “The Economics of Biofuel Policies.” Paper presented to 5th Berkeley Bioeconomy Conference: Renewable Resources, UC Berkeley California, 26-28 March 2012.
- “Biofuel Policies & Food Grain Commodity Prices.” Cornell International Institute for Food, Agriculture, and Development Seminar series Perspectives in International Development Series, Ithaca New York, March 8, 2012.
- “Understanding the Economics of Biofuel Policies and Implications for WTO Rules.” A paper

presented at the International Agricultural Trade Research Consortium Annual Meeting: Agricultural Price Volatility, Trade Policy and Food Security in Developing Countries. St. Petersburg, Florida December 11-13, 2011.

“Biofuel Policies and Food Grain Prices.” Seminar presented at Economics Department, KU Leuven, Belgium, 23 November, 2011.

“Biofuel Policies and Food Grain Prices.” UN Expert Roundtable The Relationship of Agro-fuels to the Right to Food, Scotland House, Brussels, 24-25 November, 2011.

“Modeling Carbon Leakages with Forestation Policies,” 13th Congress of the European Association of Agricultural Economists (EAAE) Zurich, Switzerland, August 30-September 2, 2011.

“The Implications of Alternative Biofuel Policies for Carbon Leakage” 13th Congress of the European Association of Agricultural Economists (EAAE) Zurich, Switzerland, August 30-September 2, 2011.

“Carbon Leakage with Forestation Policies”. Selected paper at Agricultural and Applied Economics Association 2011 Annual Meeting, July 24-26, 2011, Pittsburgh, Pennsylvania

“The Implications of Alternative Biofuel Policies on Carbon Leakage”. Selected paper prepared for presentation at Agricultural and Applied Economics Association 2011 Annual Meeting, July 24-26, 2011, Pittsburgh, Pennsylvania.

“A Proper Methodology to Measure Carbon Leakages from ‘Indirect Output Use Change’ (iOUC) due to Alternative Biofuel Policies” 15th Conference of International Consortium on Applied Bioeconomy Research (ICABR) Frascati-Monteporzio Catone, Italy June 26-29, 2011.

“The Green Paradox of environmental regulations on biotechnology and biofuels” Panel at a joint ICABR-EAERE session, 18th Annual Conference of the European Association of Environmental and Resource Economists (EAERE) Frascati-Monteporzio Catone, Italy June 29-July 2, 2011.

“Biofuel Policies and Grain Prices.” NSF-IGERT symposium in Rutgers University focusing on Sustainable and Renewable Fuel Solutions for the 21st Century, New Brunswick, NJ 7-8 June 2011.

“The Implications of Alternative Biofuel Policies on Carbon Leakage” discussion of research ideas, Biobased Industry Center (BIC) Bioenergy Camp, Perry, Iowa May 15-18, 2011.

“Land-related Carbon Offsets and Leakage.” presentation at conference The Role of Carbon Offsets in Climate Policy: Theory and Practice Cornell University, 13-15 May 2011.

“The Unique Interaction Effects of Renewable Energy Policies.” Speech to the National Economists Club, Washington DC, 14 October 2010.

“Rethinking the Ethanol Tax Credit.” Capitol Hill Briefing organized by the Cato Institute and

Friends of the Earth, presented September 30, 2010, B-338 Rayburn House Office Building, Washington DC.

“On the EU–U.S. Biodiesel ‘Splash & Dash’ Controversy: Causes, Consequences and Policy Recommendations.” Selected paper Agricultural and Applied Economics Association Annual Meeting, July 25-27, 2010, Denver, Colorado.

“The Social Costs and Benefits of U.S. Biofuel Policies with Pre-Existing Distortions.” presented to joint IMF/World Bank Macroeconomic Group, 30 June 2010.

“Biofuels and Leakages in the Fuel Market.” Paper at the IATRC Public Trade Policy Research and Analysis Symposium ‘Climate Change in World Agriculture: Mitigation, Adaptation, Trade and Food Security’ Universität Hohenheim, Stuttgart, Germany, June 27-29, 2010.

“The Evolution of Global Agricultural Policies: Lessons for Azerbaijan.” Keynote address at Ganja University 80th Anniversary 21 May 2010, Azerbaijan.

“The Importance and Benefits of Avoiding Trade Distorting Agricultural Policies.” Paper presented to various federal government departments, Baku, Azerbaijan, 26 May 2010 (and to Economics Department, Ganja University 22 May and Azerbaijan National University Economic Institute, Baku 28 May 2010).

“Agriculture and Climate Change” presentation to conference Bioeconomy and Global Climate Change, Michigan State University 26-27 April, 2010.

“Modeling the Economic Effects of Biofuel Policies.” Slides for presentation at World Bank Workshop on Biofuels March 17, 2010

“Slouching Towards First Worst Biofuel Policy: Life-Cycle Accounting, Indirect Land Use Change and the Sustainability Standard Fiasco.” Slides presented at the conference The Economics of Alternative Energy Sources and Globalization: the Road Ahead, Orlando Florida, 15-17 November 2009.

“Managing Complexities in the Biofuels Industry” discussion at symposium, AAEA Session, Milwaukee, 26-28 July 2009.

“The Economics of a Blender’s Tax Credit versus a Tax Exemption: The Case of U.S. ‘Splash & Dash’ Biodiesel Exports to the European Union.” AgFoodTRAde Project meeting, Bratislava, Slovakia, 3 November 2009.

“The Social Costs and Benefits of Biofuel Policies: Implications for Energy and Environment Policy.” paper to be presented at the American Tax Policy Institute conference, Issues on U.S. Energy Taxes, Washington, DC, October 15-16, 2009.

“The Social Cost and Benefits of Biofuels: The Intersection of Environmental, Energy and Agricultural Policy.” AAEA Symposium, Milwaukee, WI, 26-28 July 2009.

“The Economics of Sustainability Standards and Implications for World Biofuel Markets.”

Conference on Biofuels in the World Economy, Woodrow Wilson Center, Washington DC. 23-24 July 2009.

“The Implications of Biofuel Policies for Developing Countries” UN Conference Food, Famine and Future Technologies: Ethical Dilemmas in a Hungry World, New York, May 22-23, 2009.

“Decoupled support – Is it really less-distortionary – A review of recent evidence” FAO conference Policies for Minimizing Distortionary Effects of Support to Agriculture May 19-20, 2009 Rome.

“The Social Cost and Benefits of Biofuels: The Intersection of Environmental, Energy and Agricultural Policy.” Seminar presented to the OECD, Paris France 18 May 2009.

“Implications of Agricultural Trade and Global Climate Change Policies for Developing Countries.” ICTSD side-event at the UN Commission on Sustainable Development Climate Change and Agriculture: The Role of Trade, New York 12 May 2009.

“Price Determination in World Biofuel Markets and the Effects of Alternative Biofuel Policies” Paper presented for the conference Biofuels in Latin America: Ongoing Research, Experiences and Potential for the Region. Centro Agronómico Tropical de Investigación y Enseñanza, Costa Rica, 17-18 March 2009.

“Towards a Genuine Sustainability Criterion for Biofuel Production.” Paper presented at the IV Congress of the Latin American and Caribbean Association of Environmental and Natural Resource Economists, Universidad Nacional, Heredia, Costa Rica, 19-21 March 2009.

“Explaining Agricultural Commodity Price Increases: The Role of Biofuel Policies” Paper prepared for the conference Rising Food and Energy Prices: U.S. Food Policy at a Crossroads, Oregon State University, Corvallis, Oregon 2 October 2008.

“On the Costs and Benefits of Biofuel Production and Climate Change”. Seminar presented to the World Bank, Washington D.C. 23 July 2008.

“Analyzing the Welfare Economics of Biofuel Policies” Symposium on Modeling Impacts of Biofuel Tax Credits, Tariffs and Mandates Joint Annual Meeting of the Canadian Agricultural Economics Society and the Northeast Agricultural and Resource Economics Association, Quebec City, 1 July 2008.

“Policy Lessons from the U.S. Biofuels Experience” Plenary paper presented at the 2nd AIEA2 and USDA International Conference The Economic Implications of Public Support to Agriculture 19-21 June 2008, Bologna Italy.

“The Social Costs and Benefits of U.S. Biofuel Policies” Plenary paper presented at the 20th Annual Meeting of the National Biotechnology Council, 3-5 June 2008, Columbus Ohio.

“Energy Innovation, Consumption and Policy: The Welfare Economics of Binding Mandates” paper for the Canadian Agricultural Economics Society/Northeast Agricultural and Resource

Economics Association pre-conference workshop Domestic and International Agricultural Policy, Quebec City, 29 June 2008.

“On the Welfare Economics of Biofuel Policies” paper presented at the workshop Sustainable Biofuels and Human Security in support of the UK’s RFA re-assessment of biofuel policies, University of Illinois, Urbana-Champaign, 12-13 May 2008.

“The Welfare Economics of U.S. Ethanol Policy” paper presented at the NC-1034 conference Energy and Agriculture: Emerging Policy and R&D Issues, Washington D.C., 7-8 March 2008.

“What Do We Know About Transfer Efficiency and Effectiveness of Biofuel Policies” presentation to the Food and Agriculture Organization combined Expert Committees on Bioenergy Policy and Markets and Long-run Global Perspectives on Fuel and Food Security, Rome Italy 18-20 February 2008.

“Water’ in the U.S. Ethanol Tax Credit and Mandate: Implications for Rectangular Deadweight Costs and the Corn-Oil Price Relationship”, Paper for presentation at the Allied Social Science Association annual meetings in New Orleans, 4-6 January 2008.

Seminar Presentations on “The Social Costs and Benefits of Biofuel Policies”

University of Nebraska, Lincoln 24 October 2008

Agriculture and Agri-Food Canada, Ottawa 19 September 2008

Inter-American Development Bank, Washington D.C. 22 May 2008

Cornell University, Ithaca NY 1 May 2008

University of California, Berkeley 20 March 2008

University of California, Davis 19 March 2008

World Bank, Washington D.C. 6 March 2008 (again 23 July 2008)

Ohio State University, Columbus 14 February 2008

“Explaining Inefficient Policy Instrument Choice” paper presented at the World Bank workshop “Political Economy of Distortions to Agricultural Incentives” 22-24 June 2008, Washington D.C.

“The Social Costs and Benefits of U.S. Biofuel Policies” Plenary paper presented at the 20th Annual Meeting of the National Biotechnology Council, 3-5 June 2008, Columbus Ohio.

“The Welfare Economics of U.S. Ethanol Policy” paper for presentation at the NC-1034 conference Energy and Agriculture: Emerging Policy and R&D Issues, 7-8 March 2008, Washington D.C.

“What Do We Know About Transfer Efficiency and Effectiveness of Biofuel Policies” presentation to the Food and Agriculture Organization combined Expert Committees on Bioenergy Policy and Markets and Long-run Global Perspectives on Fuel and Food Security, 18-20 February 2008.

- “The Social Costs and Benefits of Biofuels Policy and Import Tariffs”, lecture for the Cornell University Colloquia Biofuels: The Economic and Environmental Interactions, 15 February 2008, Ithaca NY.
- “Cross-subsidization and Exit Deterrence due to Infra-Marginal Support: Implications for Production Distortions”, presentation at the Hewlett Foundation-German Marshall Fund Roundtable on The Effects of Domestic Subsidies 6 January 2008, Washington, D.C..
- “Water’ in the U.S. Ethanol Tax Credit and Mandate: Implications for Rectangular Deadweight Costs and the Corn-Oil Price Relationship”, Paper presented at the ASSA annual meetings in New Orleans, 4-6 January 2008
- “Cross-subsidization and Exit Deterrence due to Infra-Marginal Support: Implications for Agricultural Policy Analysis” Selected Paper prepared for presentation at the American Agricultural Economics Association Annual Meeting, Portland, OR, July 29-August 1, 2007
- “Explaining Inefficient Policy Instrument Choice” paper presented at the pre-AAEA World Bank brainstorming workshop Political Economy of Distortions to Agricultural Incentives 28-29 July, Portland OR 2007.
- “Agreement on TRQ Expansion is Essential for a Meaningful Doha Outcome” paper presented at the AAEA Organized Symposium, "Is a TRQ Agreement Essential for Securing a Doha Agreement on Agricultural Market Access?" Portland, OR, July 29-August 1, 2007.
- “Consumer Financed Export Subsidies and the Agreement on Agriculture” Selected Paper prepared for presentation at the American Agricultural Economics Association Annual Meeting, Portland,OR, July 29-August 1, 2007
- “What will it take to have a successful Doha Round?” Seminar to the Food and Agriculture Organization, 24 July 2007, Rome.
- “Treatment of Sensitive Products: Options for Negotiating Modalities”, paper presented to ICTSD/IPC Roundtable Exploring Options for Making Progress on the WTO Market Access and Domestic Support Pillars, Glion Switzerland 22-23 January 2007.
- “Issues to be Resolved on Market Access”, presentation to the WTO Secretariat, Geneva Switzerland 22 January 2007.
- “The Potential Benefits to Developing Countries from Domestic Support Reductions in Developed Countries”, paper presented at the WTO Roundtable on Agriculture, Geneva 29 May 2006.
- “Benefits to Developing Countries from Domestic Support Reductions in Rich Countries.” paper presented at FAO Workshop on WTO Rules for Agriculture Compatible with Development, Rome 2-3 Feb 2006.
- “The Effects of Infra-marginal Subsidies on Exits and Cross-Subsidies: Implications of the WTO Panels on EU Sugar and CDN Dairy Policies.” paper presented to the Department of

Agricultural Economics, University of Nebraska, 23 September 2005 and Department of Agricultural Economics, University of Illinois, 19 February 2006.

- “Key Issues for Developing Countries in WTO Trade Negotiations on Agriculture.” paper presented at the University of Sao Paulo, 13 October 2005.
- “Measuring and disciplining domestic agricultural support in the WTO.” paper presented at the IATRC Summer Symposium Pressures for Agricultural Policy Reform, Seville Spain 19-21 June 2005 (with J. Baffes and D. Cook).
- “Tariff Rate Quota Administration Methods and Trade Liberalization.” paper presented at the IATRC Summer Symposium Pressures for Agricultural Policy Reform, Seville Spain 19-21 June 2005 (with E. Kliaug)
- “The Economics of Infra-marginal Subsidies and Cross-subsidization: Implications of the WTO Panel on EU Sugar” paper presented at the IATRC Summer Symposium Pressures for Agricultural Policy Reform, Seville Spain 19-21 June 2005 (with J. Kropp)
- “The Impacts of U.S. Crop Subsidies on Livestock Production” paper presented to the Canadian Agri-Food Policy Institute Conference on Farm Income, Toronto Canada 23 May 2005 (with J. Cranfield).
- “Brazil Agriculture – yesterday, today and tomorrow – a case study of an emerging exporter” paper presented to the Canadian Agri-Food Policy Institute conference on Farm Income, Toronto Canada 23 May 2005.
- “The Benefits of Trade Agreements: Agriculture and Developing Countries” paper presented to the National Centre for Food and Agricultural Policy, Washington D.C. 16 March 2005.
- “Issues in Market Access and the WTO Negotiations on Agriculture” invited paper presented at the annual meetings of the Australian Association of Agricultural Economics, February 2005, Sydney, Australia.
- “Tariff Rate Quotas in Agriculture and Trade Liberalization” paper presented at the World Bank Conference Agricultural Trade Reform and the Doha Agenda 1-2 December 2004, The Hague, the Netherlands.
- “Domestic Support Disciplines on Agriculture in the WTO: Where to Go from Here?” paper presented at the FAO’s Expert Consultation on Domestic Support Policies by OECD Countries, The Food and Agriculture Organization of the United Nations, 29-30 August 2004, Rome Italy.
- “The Role of Tariff Rate Quota Expansion and Quota Tariff Reductions in Liberalizing Agricultural Trade” World Bank workshop Agricultural Trade Reform and the Doha Agenda: Preliminary Research Meeting, Washington DC, 21-22 June 2004.
- “Trade in Agriculture, the WTO and Developing Countries” paper presented to the Swedish International Development Agency, 6 May 2004, Stockholm Sweden.

- “Issues for both the Commitments in the Current Uruguay Round Agreement on Agriculture and Recent Proposals for Reform” paper presented to the World Trade Organization, 22 March 2004, Geneva Switzerland.
- “The AMS Mess and the Paradoxes of Domestic Support Disciplines in the WTO Negotiations on Agriculture”, seminar presented to Agri and AgriFood Canada, Ottawa, 2 June 2003.
- “A Review of Trade Policy Models” paper presented at Agri and AgriFood Canada workshop to Review the Analytical Tools and Analytical Needs of AAFC, Ottawa, Canada 29-30 May, 2003.
- “Decoupling Support to Agriculture. An Economic Analysis of Recent Experience”, paper presented at the Annual World Bank Conference on Development Economics, Economic Integration and Social Responsibility, Paris, France 15-16 May 2003.
- “First Come, First Served Import Quotas and Trade Liberalization in Agriculture” paper presented at the IATRC Conference on Agricultural Policy Reform and the WTO: Where are We Heading? Capri, Italy, 24-26 June 2003
- “The Economics of Licenses on Demand and the WTO Agreement on Agriculture” paper presented at the IATRC Conference on Agricultural Policy Reform and the WTO: Where are We Heading? Capri, Italy, 24-26 June 2003
- “The Economics of an Import State Trading Enterprise with Tariff-quotas: An Empirical Example of South Korea” paper presented at the World Bank Seminar Series on International Trade Policy September 24 2002, Washington D.C.
- “Managing TRQs in China: Possible Effects on Domestic Prices” paper presented to OECD conference Agricultural Policy Adjustments in China after WTO Accession Beijing, China 30-31, May 2002
- “Major crops agricultural support systems: what are their impacts on the international trade?” paper presented at Colloque de Société Française d'Economie Rurale European Union/USA: Bilateral views on Agricultural Policies Paris, 9-10 October 2002.
- “A Comparison of US and EU Government Policies for the Cereals Sectors: Implications for the WTO Trade Negotiations” paper presented to the European Institute special colloquium on Agriculture Policy in the Transatlantic Relationship Washington D.C. May 2001.
- “Multifunctionality and the WTO Negotiations on Agriculture: Towards a Rural Development Policy” Paper presented at the World Bank Conference Leveraging Trade, Global Market Integration, and the New WTO Negotiations for Development. July 23-24, 2001, Washington D.C.
- “Issues on the Measurement and Effects of Farm Support: Reforming the Agricultural Agreement in the WTO” Paper presented to the OECD Paris, December 18, 2001.
- “The Risk Reduction Effects of Direct Payments on U.S. Wheat Production” Paper presented at the IATRC Annual Meetings, May 2001, Washington D.C.

- “Definition of Export Subsidies and the Agreement on Agriculture” paper presented at the XXIV International Conference of Agricultural Economists, Berlin Germany August 11-20, 2000.
- “Rent Seeking with Politically Contestable Rights to Agricultural Import Quotas” paper presented at the XXIV International Conference of Agricultural Economists, Berlin Germany August 11-20, 2000.
- “The Impacts of Export Subsidy Reduction Commitments in the Agreement on Agriculture” paper presented to the AAEA annual meetings Tampa Bay, Florida August 2000.
- “Disentangling the Production and Export Consequences of Direct Farm Income Payments” paper presented to the AAEA annual meetings Tampa Bay, Florida August 2000.
- “The Impacts of Export Subsidy Reduction Commitments in the Agreement on Agriculture on International Trade: A General Assessment”, Paper presented at the Conference on "Global Agricultural Trade in the New Millennium", May 25-26, 2000, New Orleans, LA.
- “Rent Seeking with Politically Contestable Rights to Import Quotas”, Paper presented at the IATRC Annual Meetings, December 1999, New Orleans.
- “Gains and Distortions with Environmental and Trade Policy.” Contributed Paper presented to the IX EAAE Congress, Warsaw Poland, August 1999.
- “Rent Seeking and International Trade in Agriculture.” Conference on *Agricultural Globalization, Trade and the Environment*. Berkeley California, March 1999.
- “Market Access, Export Subsidies and Domestic Support Measures: Issues and Suggestions for New Rules” World Bank Conference on *Agriculture and the New Trade Agenda from a Developmental Perspective: Interest and Options in the Next WTO Negotiations* Geneva 1-2 October 1999.
- “U.S. Dairy Policy and the Agreement on Agriculture in the WTO” paper presented at the Policy Research Symposium on *National and Trade Policies: Implications for the Next WTO Negotiations* Kansas City MO 8-9 October 1999.
- “The Agreement on Agriculture and the CAP: The Reform of the Fruit & Vegetable Common Market Organization” paper presented to the IATRC Annual Meetings, St Petersburg, FL December 1998 and a contributed paper to the AAEA Annual Meetings Nashville, August 1999 and to the IXth EAAE Congress, Warsaw Poland, August 1999.
- “The Law and Economics of “Consumer Only” Financed Export Subsidies: A Context for the WTO’s Dispute Settlement Panel on Canadian Dairy Policy” paper presented to the IATRC Annual Meetings, St Petersburg FL December 1998 and a contributed paper to the joint CAES/WAEA Annual Meeting Fargo ND, July 1999 and to the IXth EAAE Congress, Warsaw Poland, August 1999.
- “Economic Costs of the U.S. Wheat Export Enhancement program: Manna from Heaven or from Taxpayers?” AAEA contributed paper AAEA Annual Meetings Nashville, August 1999.

- “The Economics of 2-tier Tariff-Rate Import Quotas: The Agreement on Agriculture in the WTO” paper presented to the IATRC Annual Meetings, St Petersburg FL December 1998.
- “The Political Economy of East European Accession into the EU’s CAP”, ACE Project’s Workshop “Agriculture and East-West Integration”, Prague, Czech Republic, January 1998.
- “An Empirical Study of the Determinants of Public Research Investment and Commodity Policies in Agriculture,” XXIII International Conference of Agricultural Economists, Sacramento, California, August 1997.
- “The Impact of Economic Development on the Redistributive and Public Research Policies in Agriculture.” AAEA annual meetings, Toronto, August 1997.
- “Is Agricultural Support Outmoded?” Symposium at the XXIII International Conference of Agricultural Economists, Sacramento, California, August 1997.
- “The Choice of Commodity Policies and Research Investment in Agriculture,” *Global Agricultural Science Policy for the Twenty-First Century*, Melbourne Australia, 26 August 1996.
- “The Importance of the Endogenous Policy Approach in Analyzing Agricultural Research and Trade Policies,” presented to:
- (a) IATRC Annual Meetings, Tucson, AR, December 1995.
 - (b) University of Agriculture, Nitra, Slovakia
 - (c) Institute of Agricultural Policy, Humboldt University at Berlin October 1996
 - (d) Hebrew University, Jerusalem, Israel, January 1997
- “Environmental Policy Analysis with Pollution Abatement versus Output Reduction for Pesticides in the U.S. Corn Sector,” VIIIth EAAE Congress, Edinburgh Scotland, September 1996.
- “Analyzing Environmental Policy with Pollution Abatement versus Output Reduction: An Application to U.S. Agriculture,” AAEA annual meetings, San Antonio, August 1996.
- “Explaining Underinvestment in Public Agricultural Research,” AAEA annual meetings, San Antonio, August 1996.
