

JOHN TOBIN-DE LA PUENTE

john.tobin@cornell.edu

361 Warren Hall

Cornell University

Ithaca, New York 14853, USA

+1 607 793 5962

EDUCATION

HARVARD UNIVERSITY: Ph.D. in Organismic and Evolutionary Biology, 1995

Dissertation: *Ecology and Diversity of Neotropical Rainforest Canopy Ants*

Dissertation advisor: Prof. Edward O. Wilson

HARVARD LAW SCHOOL: J.D., 1995

Research paper: *Intellectual Property Rights, Genetic Resources, and the Pharmaceutical Industry: Drug Development and the Conservation of Biological Diversity*

UNIVERSITY OF CALIFORNIA AT LOS ANGELES: B.S. in Biology, 1986, *magna cum laude*

COLEGIO SANTA MARGARITA, Lima, Peru: Secondary School

EMPLOYMENT HISTORY

CORNELL UNIVERSITY, Cornell S.C. Johnson College of Business, Charles H. Dyson School of Applied Economics and Management, Ithaca, New York

Professor of Practice of Corporate Sustainability: March 2016 to the present

Senior Faculty Fellow, Cornell Atkinson Center for Sustainability: October 2021 to the present

Founding Co-Director, Initiative on Responsible Finance: July 2016 to the present

Director, Grand Challenges Program: July 2021 to June 2023

Academic Director, Cornell Master of Professional Studies (M.P.S.) in Applied Economics and Management with the CEMS Master in International Management (M.I.M.): July 2019 to June 2023

Member, Executive Committee, School of Applied Economics and Management: July 2021 to June 2023

Other responsibilities include: teaching undergraduate and graduate courses, conducting research, and leading outreach and engagement activities at the intersection of finance and sustainability; faculty committee work (including chairing promotion review committees); and academic and professional advisory work with undergraduate and graduate students.

Courses taught: AEM 2550 (Corporate Sustainability), AEM 2555 (Corporate Sustainability – Grand Challenges), AEM 4090 (Environmental Finance and Markets), AEM 4940/AEM 6940 (Sustainable Business), AEM 5300 (International Aspects of Sustainability in Business and Finance), AEM 4940/AEM 6940 (Financial Markets and Sustainability)

CORNELL UNIVERSITY, College of Human Ecology, Cornell Institute for Public Affairs, Ithaca, New York
Professor of Practice of Corporate Sustainability: March 2016 to June 2021 (joint appointment with the Charles H. Dyson School of Applied Economics and Management)

Director, Environmental Finance and Impact Investing (EFII) Fellows Program: 2016 to 2021

Other responsibilities included: teaching graduate courses to Master of Public Administration (MPA) students and other professional master's students; faculty committee work; and academic and professional advisory work with graduate students.

Courses taught: PADM 5570 (Corporate Responsibility), PADM 5572 (Topics in Environmental Finance and Impact Investing), PADM 5579/5978/5979 (Environmental Finance and Impact Investing Practicum), PADM 5910 (Special Topics: Domestic Capstone)

CREDIT SUISSE, Zurich, Switzerland, 2007 to 2016

Managing Director and Global Head of Sustainability. Responsibilities included: developing, articulating, and implementing corporate strategy in the area of sustainability; supervising a multicultural team of finance professionals based in Zurich, London, New York, and Hong Kong managing risk and providing controls in connection with environmental and social matters; developing partnerships and other collaborations in the area of sustainability with private sector actors and with relevant not-for-profit organizations, including non-governmental and inter-governmental entities and academic institutions; managing the bank's interactions with

environmental and social advocacy organizations; developing and producing interdisciplinary research products in the area of sustainability; coordinating the bank's external commitments on sustainability matters, including the Equator Principles and the UNEP Finance Initiative; supporting the origination and delivery of socially responsible investment products and working with relevant business units to structure solutions in the area of values-based investing; developing policies on sensitive industries; communicating the bank's position internally and externally on sustainability issues; advising generally on corporate sustainability matters.

CREDIT SUISSE, New York, New York, 2002 to 2007

Director and Counsel, General Counsel Division, International Finance Group. Responsibilities included: advising on the structuring and documentation of cross-border financings, including structured financing, secured loans, syndicated lending, project finance, repackagings, and securities offerings involving emerging markets, particularly Latin America; managing external counsel in the execution of high-impact transactions involving international markets; drafting and providing input on Credit Suisse policies and related legal and regulatory requirements; advising generally on cross-border legal issues.

CLIFFORD CHANCE, New York, New York, 1997 to 2002

Corporate Attorney. Responsibilities included: working on US law aspects of cross-border capital markets transactions involving Latin America and other emerging markets as well as developed markets; drafting financial documents requiring strong quantitative skills and the ability to analyze and dissect financial statements; supervising, training, and evaluating attorneys and other legal professionals; leading deal teams in the execution of numerous financings; following an internal election process, representing the firm's associates on the Personnel Committee in discussions with the partnership on topics including compensation.

DAVIS POLK & WARDWELL, New York, New York, 1995 to 1997

Corporate Attorney. Responsibilities included: representing underwriters, issuers, and sovereigns in a variety of transactions, including privatizations, public offerings, and private placements of both debt and equity securities, with a focus on Latin America; advising international clients on the preparation of annual reports and other US disclosure documents, and generally on compliance with US laws.

SELECTED RELEVANT EXPERIENCE

REPUBLIC OF PERU, NATIONAL DELEGATION TO UN CONVENTION ON BIOLOGICAL DIVERSITY
Member of the delegation of the Republic of Peru to the 15th Conference of the Parties (COP 15) of the United Nations Convention on Biological Diversity, Montreal, Quebec, Canada, December 2022

Advised the official delegation of the Republic of Peru in negotiations with other national delegations on matters related to resource mobilization, official development assistance, subsidies reform, and related topics in connection with the Post-2020 Global Biodiversity Framework, the international framework on biodiversity protection and sustainable development for the 2020-2030 period.

CORNELL UNIVERSITY, DELEGATION TO UN CONVENTION ON BIOLOGICAL DIVERSITY
Head of the Cornell University delegation to the 15th Conference of the Parties (COP 15) of the United Nations Convention on Biological Diversity, Montreal, Quebec, Canada, December 2022

Formed the Cornell delegation and worked with the office of the University President and with the Secretariat of the United Nations Convention on Biological Diversity to obtain observer status for the University. Organized, coordinated, moderated, and/or hosted Cornell University activities at COP 15.

INTERNATIONAL UNION FOR CONSERVATION OF NATURE-UNITED STATES (IUCN-US)

Chair, Board of Directors, March 2023 to the present

Vice-Chair and Acting Chair, March 2022 to March 2023

Member of the Board of Directors, 2018 to the present

IUCN is the global authority on the status of the natural world and the measures needed to safeguard it. It is based in Gland, Switzerland. IUCN-US is the US-based 501(c)(3) entity affiliated with IUCN.

COALITION FOR PRIVATE INVESTMENT IN CONSERVATION (CPIC), 2016 to the present

Co-founder and Member of the Executive Committee

CPIC brings together a group of commercial banks, development finance institutions, environmental organizations, academic institutions, law firms, and others seeking to facilitate the entry of private investment capital into environmental protection projects.

FOREST TRENDS, Washington, DC, 2015 to 2021

Member of the Board of Directors. Forest Trends is a not-for-profit environmental organization dedicated to promoting sustainable forest management and conservation by creating and capturing market values for ecosystem services.

CONSERVATION FINANCE CONFERENCE, 2014 to the present

Co-founder and Member of the Organizing Committee. The Conservation Finance Conference is held yearly at Credit Suisse's regional headquarters in New York City.

AMERICAN INSTITUTE OF BIOLOGICAL SCIENCES (AIBS), Washington, DC area, 2012 to 2015

Member of the Board of Directors, Chair of the Finance Committee, and Treasurer. AIBS is a not-for-profit scientific association founded in 1947 and dedicated to advancing biological research and education. AIBS's institutional membership includes 200 professional societies and scientific organizations.

EQUATOR PRINCIPLES ASSOCIATION, 2010 to 2016

Member of the Steering Committee of the Equator Principles Association and Chair of the NGO Committee. In addition, member of the drafting team that, together with six other individuals from Credit Suisse, Citi, ING Bank, and the Equator Principles Association Secretariat, wrote Version 3 of the Equator Principles ('EP3').

INTERNATIONAL CHAMBER OF COMMERCE (ICC), Paris, France, 2008 to 2016

Member of the Commission on Environment and Energy. In this capacity, contributed to the definition and articulation of the business community's approach to a variety of environmental issues, including green growth, and represented ICC at events including the 2012 Rio+20 summit.

ORGANIZATION FOR TROPICAL STUDIES (OTS), Durham, North Carolina

Member of the Board of Directors, 2020 to the present
Chair of the Audit Committee, Secretary of the Board, and Member of the Board of Directors, 2005 to 2014
OTS is a consortium of over 60 universities globally that provides graduate and undergraduate training in tropical science and manages a network of world-class biological research stations.

NEW YORK STATE BAR, New York, New York, 1996 to 2008

Member of the Bar of the State of New York. Focused on international financial and corporate law and on matters requiring an understanding of the strategic, reputational, and regulatory issues that may impact global corporate entities, and in particular financial institutions.

RELEVANT PAST AND CURRENT MEMBERSHIPS AND INSTITUTIONAL AFFILIATIONS

Amazon Conservation Association (former founding member of the Board of Directors); Museum of Natural History (former Research Associate in the Division of Invertebrate Zoology); Association of the Bar of the City of New York (former member of the Committee on International Environmental Law and the Committee on Inter-American Affairs); Cornell Club-New York; Equator Principles Association (former member of the Steering Committee, former co-chair of the NGO Committee); Explorers Club (Fellow National '03); Fundación Peruana para la Conservación de la Naturaleza-ProNaturaleza (former member of the Board of Directors); Harvard Club of Switzerland (former member); International Canopy Network (ICAN) (former member of the Advisory Board); United Nations International Strategy for Disaster Reduction (UNISDR) (former member of the Private Sector Advisory Group)

SELECTED ACADEMIC FELLOWSHIPS AND HONORS

Kendall S. Carpenter Memorial Advising Award, Cornell University, 2021-2022

Financial Times and the Impact and Sustainable Finance Faculty Consortium Awards: winner for 'teaching materials most informed by recent developments' for *The Little Book of Investing in Nature*, 2021

Engaged Cornell Faculty Fellow, 2016-2017

Fulbright Scholar (in residence in Panama), 1991-1992

Harvard University - Certificate of Distinction in Teaching, 1988 and 1989

National Science Foundation Minority Graduate Fellowship, 1986-1988 and 1989-1990

Elected to Phi Beta Kappa, 1986

CONSULTING WORK

Consults widely on matters of sustainability strategy, reporting, and disclosure, conservation finance, biodiversity, environmental and social risk management, stakeholder relations and reputational risk, and related areas for financial institutions, corporates, and civil society organizations.

SELECTED GRANTS

Great Lakes Protection Fund, Transition Financing for Regenerative Agriculture Systems, 2020-23
Cornell University, Atkinson Center Grant for Conservation Finance, 2018-2022
Cornell University, Engaged Cornell Curriculum Development Grant, 2017-2018
Cornell University, Atkinson Center-EDF Innovation for Impact Grant, 2017-2018
Cornell University, Engaged Cornell Curriculum Planning Grant, 2016-2017
National Science Foundation Dissertation Improvement Grant, 1991-1992

THESIS COMMITTEE MEMBERSHIP

Zongzhe (Kevin) Li (external co-advisor, Master in Public Policy, Harvard Kennedy School, expected 2024)
Morgan Mastrianni (Master of Science in Applied Economics and Management, 2023)
Manuela Moura Dantas (Ph.D. in Management, 2019)
Seth Olson (Master of Science in Applied Economics and Management, 2018)
Allison Tse (Master of Regional Planning, 2018)

PUBLIC SPEAKING

Speaks regularly at industry events and universities on corporate sustainability, conservation finance, and related topics. Recent examples include keynote addresses, lectures, and panel discussions at COP 15 of the UN Convention on Biological Diversity (Montreal, Canada), the Global Sustainable Digital Finance Forum (Zurich, Switzerland), the One Planet Summit organized by the French government, the International Union for Conservation of Nature (IUCN) World Conservation Congress (Marseille, France), the Economist Intelligence Unit (EIU) World Ocean Summit (Abu Dhabi), and numerous others.
