

**CURRICULUM VITAE****Becca B.R. Jablonski*****CV SECTION 1: Employment History/Awards*****ADDRESS**

279 Nutrien Building  
 Colorado State University  
 Fort Collins, CO 80523

970-491-6133  
 Becca.Jablonski@colostate.edu  
 foodsystems.colostate.edu

**EDUCATION**

2014	Ph.D. Cornell University
2007	M.S. University of London, School of Oriental and African Studies, honors
2003	A.B. Cornell University, honors

**ACADEMIC POSITIONS**

8/2024-present	Visiting Associate Professor, Applied Economics and Policy area of the S.C. Johnson College of Business and the Charles H. Dyson School of Applied Economics and Management, Cornell University
9/2022-8/2023	US-UK Fulbright Scholar, Cardiff University, United Kingdom
4/2022-present	Co-Director, Food Systems Institute, Colorado State University
7/2021-present	Associate Professor, Department of Agricultural and Resource Economics, Colorado State University (with tenure, on leave starting 8/2024)
1/2016-6/2021	Assistant Professor and Food Systems Extension Economist, Department of Agricultural and Resource Economics, Colorado State University
3/2021-8/2024	Affiliate Faculty Member, One Health Institute, Colorado State University
5/2017-8/2024	Affiliate Faculty Member, School of Global Environmental Sustainability, Colorado State University
2/2017-8/2024	Affiliate Faculty Member, Regional Economic Development Institute, Colorado State University
10/2016-12/2019	Member, Analytic and Academic Programs, Rural Policy Research Institute
8/2015-12/2015	Special Assistant Professor, Department of Agricultural and Resource Economics, Colorado State University
9/2015-8/2022	Associate, Center for Fair and Alternative Trade, Colorado State University
8/2014-8/2015	Postdoctoral Fellow, Department of Agricultural and Resource Economics, Colorado State University
8/2012-8/2014	Doctoral Fellow, National Institute of Food and Agriculture, U.S. Department of Agriculture
Summers 2012 & 2013	Research Assistant, Dyson School of Applied Economics and Management, Cornell University
8/2010-8/2014	Affiliate, Cornell Population Center, Cornell University
8/2005-4/2006	Research Assistant, California Institute for Rural Studies and the University of California at Berkeley

**OTHER POSITIONS**

7/2023 – 7/2024	Research & Evaluation lead, Northwest Rocky Mountain Regional Food Business Center
2013	Visiting Scholar, Economic Research Service, U.S. Department of Agriculture
9/2007-8/2011	Agricultural Economic Development Specialist, Cornell University Cooperative Extension of Madison County
5/2006-8/2006	Agricultural Extension Agent, Save Your Future Association (Nkambe, Cameroon)
Summer 2002	National Network for Environmental Management Fellow, U.S. Environmental Protection Agency
Summer 2001	Winemaker and vineyard worker, Fery-Meunier (Bourgogne, France)

**HONORS AND AWARDS**

2022, Outstanding Extension Project Award, Western Agricultural Economics Association, Santa Fe, NM.

2020, Distinguished Extension/Outreach Program Award: Less than 10 years of experience, Applied Agricultural Economics Association, Kansas City, MO.

2020, Colorado State University Emerging Community Engagement Scholarship Award, Colorado State University, Fort Collins, CO, for the Colorado Blueprint of Food and Agriculture.

2019, Dan Rickman Best Paper Award, *Review of Regional Studies*, for VanSandt, A, S. Low, B.B.R. Jablonski, and S. Weiler. 2019. Place-Based Factors and the Success of Farm-Level Entrepreneurship. *Review of Regional Studies*.

2018, Young Professional Award, Western Extension Committee, Western Agricultural Economics Association Annual Meeting, Anchorage, AK.

2017, Quality of Communication Award, Applied Agricultural Economics Association, Honorable Mention for “The Economics of Local Food Systems: A Toolkit to Guide Community Discussions, Assessments, and Choices,” Chicago, IL.

2017, Team Research Award for the Food Systems Team, College of Agricultural Sciences, Colorado State University, Fort Collins, CO.

2016, Abraham Lincoln Honor Award (formerly the U.S. Secretary of Agriculture’s Honor Award), U.S. Department of Agriculture, Washington, D.C.

- The “most prestigious Departmental award presented by the Secretary and recognizes exceptional leadership, contributions, or public service by individuals or groups who support the mission/goals of the United States Department of Agriculture (USDA).”

2016, Quality of Communication Award, Applied Agricultural Economics Association, Honorable Mention for “Trends in U.S. Local and Regional Food Systems,” Boston, MA.

2014, Richardson-Applebaum Award for “outstanding dissertation in food distribution and marketing research,” Food Distribution Research Society, Salt Lake City, UT.

2013, 1<sup>st</sup> Place in the Graduate Student Extension Competition, Applied Agricultural Economics Association, Washington, D.C.

2011, Finalist for New York's Creative Core \$15k Innovations in Agri-Business Prize, Centerstate Corporation for Economic Opportunity, Syracuse, NY

2010, First Runner Up for the Impact Award, Central New York NonProfit Awards, CNY Business Journal, Syracuse, NY

2003, Scholar Athlete Award, College Squash Association

## **CONTRACTS & GRANTS**

### **Externally-Funded Projects as PI (>\$8M)**

(2024-2027) Resilient Food System Infrastructure, U.S. Department of Agriculture Agricultural Marketing Service / NYS Department of Agriculture and Markets / Farm and Food Growth Fund, \$210,000

(2023-2026) Capturing tradeoffs in NYC's procurement decisions, Rockefeller Foundation, \$448,998

(2023-2026) Capturing tradeoffs in NYC's procurement decisions, Foundation for Food and Agricultural Research (FFAR), \$954,545

(2023-2024) Backyard Animal Keeping, U.S. Department of Agriculture, Animal and Plant Health Inspection Service (APHIS), \$355,000

(2023-2024) Colorado Food Summit: Strengthening rural-urban connections, Beacon Fund / The Denver Foundation, \$76,000

(2023-2024) Colorado Food Summit Youth Track, NextGen Ag Leadership Grant Program, Colorado Department of Agriculture, \$24,734.

(2022-2024) Leveraging Networks of Food Policy Councils to Inform Metrics of Success, U.S. Department of Agriculture, Agricultural Marketing Service, \$555,000 (CSU subcontract \$58,521).

(2022-2024) Colorado Prescription Program, Gus Schumacher Nutrition Incentive Program, U.S. Department of Agriculture, National Institute of Food and Agriculture, \$478,965 (CSU subcontract \$87,076).

(2022-2024) Helping beginning growers analyze market channels to improve profits, Beginning Farmer and Rancher Development Program, U.S. Department of Agriculture, National Institute of Food and Agriculture, \$744,103 (CSU subcontract \$74,918).

(2021-2024) Strengthening Opportunities Along the Meat Supply Chain to Promote Sustainable Agriculture in Intermountain States, Western SARE Research and Education, \$349,994

(2021-2025) Exploring the Scale, Scope and New Supply Chain Linkages in the Local Food Sector, U.S. Department of Agriculture, Economic Research Service, \$166,000

(2021-2024) The Impact of Farm to School Legislation on Farmers, Supply Chain Businesses, Rural Communities and Economies, U.S. Department of Agriculture, National Institute of Food and Agriculture, \$499,574

(2021-2022) Colorado Food Summit 2.0: Moving towards increasing diversity, equity and inclusion, Beacon Fund / The Denver Foundation, \$96,136

(2021-2022) Colorado Food Summit 2.0 and Mountain Meat Summit, Western SARE, \$10,000

(2020-2024) Profitability of U.S. Beginning Farmers and Ranchers. U.S. Department of Agriculture, Economic Research Service, \$130,998

(2020-2023) Colorado's Double Up Food Bucks Program, Gus Schumacher Nutrition Incentive Program, U.S. Department of Agriculture, National Institute of Food and Agriculture, \$110,106

(2020-2022) Food asset mapping to understand opportunities for agricultural economic development that reduces water consumption. Colorado Water Conservation Board, \$163,885

(2020-2021) Meeting risk management training needs for direct market/short supply chain producers. U.S. Department of Agriculture, Extension Risk Management Education, \$50,975

(2020) Colorado Meat School. Western Sustainable Agriculture Research and Education (WSARE) Program, \$3,200

(2019-2022) Pathways to prosperity: Collaborative local governing for rural wealth creation. U.S. Department of Agriculture, National Institute of Food and Agriculture, \$499,519 (CSU sub contract \$92,550)

(2019) Increasing participation of diverse stakeholders at the Colorado Food Summit, The Beacon Fund, \$5,500

(2019) Colorado Meat School. Western Sustainable Agriculture Research and Education (WSARE) Program, \$2,000

(2018-2022) Integrating Community and Modeling Efforts to Evaluate Impacts and Tradeoffs of Food System Interventions, co-PIs include A. Bonanno, D. Thilmany, M. Pagliassotti, E. Ryan, L. Bellows, R. Cleary, O. David, R. Boone, M. Carolan, P. Meiman, and J. Quinn. Foundation for Food and Agricultural Research (FFAR), \$1,100,000 (FFAR); \$1,000,718 (match); \$2,100,718 (total).

- Interdisciplinary research project with large engagement component. I was responsible for leading the proposal development and writing, including overseeing large interdisciplinary team, getting the letters of support, and engaging community partners. Grant includes funding for 4 PhD students.
- Amendment for \$100,000 provided 5/2021 to support COVID-19 related extension of research.

(2018-2020) Integrating Research on Colorado Potatoes with Urban Consumer Demand. Colorado Potato Administrative Committee, \$45,000 (two grants, 1 per year)

- Provides cash match for the FFAR grant.

(2017-2020) Rural Community Impacts of Farm to School: Food Supply Chains, Educational Programming, and Household Food Purchases, A. Bonanno is also PI, co-PIs include D. Thilmany, McFadden, M. Costanigro, and M. Prescott. U.S. Department of Agriculture, National Institute of Food and Agriculture, \$574,420.

- Researchers are in the Departments of Agricultural and Resource Economics and Food Science and Human Nutrition. Includes a strong engagement program, working with four U.S. Department of Agriculture Agencies, several national nonprofits, three Colorado school districts, and leadership of a national extension community of practice. Grant dollars provide support for two graduate students.

(2017) Support for Food Systems Research in Western Colorado, The Nature Conservancy, \$30,000.

- Engagement project focused on Colorado's Western Slope that includes funding support for one graduate student.

(2016-2019) Improving Direct-to-Consumer Markets and Farm Viability Through their Assessment, Coordination, and Development in Northern Colorado, U.S. Department of Agriculture, Agricultural Marketing Service, \$238,853 (CSU subcontract \$31,400).

- Wrote grant on behalf of the Northern Colorado Food Cluster. Funding included support for a graduate student.

(2016-2018) Does the amount of SNAP benefits influence food choices and expenditures? Co-PI is R. Cleary. U.S. Department of Agriculture, Economic Research Service, \$30,000.

(2016-2017) Economic Impact of U.S. Farm to School Sales, Co-Bank and the National Farm to School Network, \$30,000.

- National engagement with leading farm to school nonprofit.

(2015-2017) Market Channel Assessments for Colorado Fruit and Vegetable Growers, co-PIs include M. Sullins and D. Thilmany. United States Department of Agriculture, Agricultural Marketing Service, \$104,633.

- Statewide engagement and support of Colorado's Fruit and Vegetable Growers. Including funding for a graduate student.

(2014-2016) Evaluating the rural economic impacts of local food system activity, co-PI is D. Thilmany. U.S. Department of Agriculture, Economic Research Service, \$30,000.

(2012-2014) Regional Food Systems: Quantifying their Impacts and Potential for Regional Economic Development, U.S. Department of Agriculture, National Institute of Food and Agriculture, \$75,000.

- Provided doctoral fellowship to support research and facilitated engagement with policymakers in Washington, D.C.

(2011-2012) Assessing local foods distribution systems: farm experiences and models for building successful farmer-distributor relationships. Joint PI with M. Roth. Cornell Small Farms Program, \$10,190.

(2011-2012) Regional Food Hubs: the key to improved farm profitability and rural economic development? Northeast Sustainable Agriculture Research and Education, \$15,000.

(2011-2012) New York State Hops, New York State Department of Agriculture and Markets Specialty Crop Block Grant Program, \$67,650.

(2011) Strategic Economic Development Outreach Grant, National Grid, \$60,000.

(2011) Fresh Connect, New York State Department of Agriculture and Markets, \$15,000

(2010) Legislative Initiatives, New York State, \$30,000.

(2009-2010) Online Farmers' Market, New York Farm Viability Institute, \$87,381.

(2009-2010) Community Grant, Rosamond Gifford Foundation, \$31,000.

(2008-2010) Community Grant, CNY Community Foundation, \$45,000 (2 grants).

(2008-2010) Community Grant, Gorman Foundation, \$11,000 (3 grants)

(2008-2009) Strengthening community through enhancing the economic viability of dairy farming: an innovative regional branding initiative, NE Sustainable Agriculture Research and Education, \$10,000.

### **Externally-Funded Projects as CoPI (>\$37M)**

(2024-2027) Land tenure and next generation of U.S. farmers and ranchers, PI is A. Bauman, U.S. Department of Agriculture, National Institute of Food and Agriculture, \$648,958.

(2023-2028) Northwest Rocky Mountain Regional Food Business Center, PI is D. Thilmany, U.S. Department of Agriculture, Agricultural Marketing Service, \$30,000,000.

- I serve as the research and evaluation lead.

(2022-2023) Roadmap for Addressing Climate Change Science in Agriculture: A Horizon Scan 2022-2032, PI is E. Kelly, U.S. Department of Agriculture, National Institute of Food and Agriculture, \$299,161.

(2022-2023) Development and expansion of a state-specific economic impact calculator for nutrition incentive projects, PI is D. Thilmany, Gretchen Swanson Center for Nutrition, \$82,000.

(2021-2022) Local and Regional Food Systems Recovery and Resilience (2.0), PI is D. Thilmany, U.S. Department of Agriculture, Agricultural Marketing Service, Cooperative Agreement, \$595,156.

- I serve as the lead for the data and metrics portion of the project.

(2021-2022) School food procurement: Comparing costs across procurement programs. PI is D. Thilmany. Urban School Food Alliance, \$65,715.

(2020-2022) True Cost Accounting for Beef Livestock Systems, PI is Kathleen Merrigan (Arizona State University, Global Alliance for the Future of Food, \$150,000 (CSU sub is \$20,000)

(2020-2021) Local and Regional Food Systems COVID-19 Rapid Response, PI is Tim Woods (University of Kentucky), CSU PI is D. Thilmany, U.S. Department of Agriculture, Agricultural Marketing Service, Cooperative Agreement, \$1,000,000 (CSU sub is \$180,818).

(2020-2021) Cross-State Heterogeneity of Farm-Scale Hemp Production Costs, PI is D. Thilmany. U.S. Department of Agriculture, Agricultural Marketing Service, Cooperative Agreement, \$1,000,000 (CSU sub is \$331,000).

(2019-2022) FARMS: Farmers for Advancing Regenerative Management Systems, PI is M. Schipanski, U.S. Department of Agriculture, Natural Resource Conservation Service, Commodity Credit Corporation, \$1,672,546 (CSU sub is \$186,049).

(2019-2020) Estimating the Potential Impact of Expanded Healthy Food Incentives: Exploring Food System Impacts, PI is D. Thilmany McFadden, SPUR, \$120,000

(2018-2020) Managing risk and assessing new market opportunities for small to mid-sized livestock production and processing in Colorado. PI is D. Mooney, co-PIs are M. Sullins, D. Thilmany, L. Edwards-Callaway, and R. Rhoades. Western Risk Management Education Grant, \$50,000.

(2018-2019) Outreach and Training on New Tools and Resources for Assessing Economic Impact of Local Food Systems, PI is D. Thilmany McFadden, U.S. Department of Agriculture, Agricultural Marketing Service, \$25,616.

(2017-2018) Current Thinking in Rural Economic Growth and Development, PI is S. Deller, co-PIs include R. Dudensing and M. Woods. North Central Regional Center for Rural Development, \$20,000

(2016-2018) Toolkit 2.0 (Year 2): Integrating Community Cases and Planning Aids, PI is D. Thilmany, U.S. Department of Agriculture, Agricultural Marketing Service, \$144,000

(2016-2017) 2016 Public Attitudes about Colorado Agriculture Survey, PI is M. Martin, co-PIs include D. Thilmany McFadden and M. Sullins. Colorado Department of Agriculture, \$36,633.

(2015-2017) Strengthening Rural-Urban Linkages to Support Rural Economic Development: the Case of Re-Localized Food Systems. PI is T.M. Schmit, co-PIs are J. Minner and D. Kay. U.S. Department of Agriculture, National Institute of Food and Agriculture, \$499,374

- Jointly wrote grant application with T.M. Schmit and served as the Project Manager for all aspects of the project.

(2015-2016) AgEnhancement Program, PI is T.M. Schmit. Farm Credit East, \$7,997.

(2011-2013) Economic Impact Assessment of a New York State Food Hub: the case of Regional Access. PI is T.M. Schmit. U.S. Department of Agriculture, Agricultural Marketing Services, \$32,000

#### **Externally-Funded Projects as Investigator or role other than PI or CoPI**

(2015-2016) Outreach, Training, and Proof of Concept of USDA AMS Economic Impact Assessment Toolkit, PI is D. Thilmany, I served as an investigator. U.S. Department of Agriculture, Agricultural Marketing Service, \$251,809.

- Lead author of one of the toolkit's section, played large role in editing toolkit, as well as conducting outreach and trainings across the U.S.

(2013-2015) A New Approach to Blending Colorado Wines and Consumer Response, PI is D. Thilmany, co-PI is Marco Costanigro. U.S. Department of Agriculture, Agricultural Marketing Service Specialty Crop Block Grant (partnership with the CO Department of Agriculture and the CO Wine Board), Co-Principal Investigator, \$61,568 (CSU sub is \$22,955)

- Supported grant execution including development of survey protocol, data collection, data analysis, writing of final report, and project outreach and dissemination.

(2011) Rural Business Enterprise Grant, Author and Administrator, U.S. Department of Agriculture, Rural Development, \$56,000.

(2010) New York Beef Farmers Cooperative, Author and Administrator, U.S. Department of Agriculture, Rural Development, \$750,000.

- Helped to establish the New York Beef Farmers Cooperative and secured funding that could be lent to NY beef producers who wanted to join cooperative. Cooperative started Side Hill Farmers.

(2008) Establishment of an Agricultural Revolving Loan Fund, Author and Administrator, U.S. Department of Agriculture, Rural Development, \$99,990.

- Wrote grant to establish agricultural revolving loan fund to support county farmers and ranchers.

### **Internally-Funded Awards**

(2024) Food Systems Planning and Reporting Unit, Program Leadership Team Grant, Colorado State University Extension \$5,000

(2021-2022) Food Systems Planning and Reporting Unit, Program Leadership Team Grant, Colorado State University Extension \$7,000

(2020-2021) Food Systems Planning and Reporting Unit, Program Leadership Team Grant, Colorado State University Extension \$5,000

(2019-2020) Food Systems Planning and Reporting Unit, Program Leadership Team Grant, Colorado State University Extension \$5,000

(2019) Evaluating emerging practices and markets for Colorado wheat-based systems, PI with Meagan Schipanski, Colorado Wheat Research Foundation, \$15,000.

(2018) Evaluating emerging practices and markets for Colorado wheat-based systems, PI with Meagan Schipanski, Colorado Wheat Research Foundation, \$15,000.

(2018) Food Systems Planning and Reporting Unit, Program Leadership Team Grant, Colorado State University Extension \$5,000

(2017-2020) Rural Wealth Creation: Exploring food systems-led development strategies, M. Carolan is also PI, co-PIs include A. Bonanno, D. Thilmany, M. Martin, M. Pagliassotti, E. Ryan, L. Bellows, R. Cleary, M. Carolan, P. Meiman, G. Cavdar, and J. Quinn. Vice President for Research's Catalyst for Innovation Partnership Program, Colorado State University, \$200,000.

(2017) Food Systems Planning and Reporting Unit, Program Leadership Team Grant, Colorado State University Extension \$5,000

(2016-2017) Colorado Blueprint of Food and Agriculture, co-PIs D. Thilmany McFadden and G. Graff. Colorado Agricultural Experiment Station, \$106,000.

(2016) Rural Wealth Creation: Exploring food systems-led development strategies, M. Carolan is also PI, co-PIs include A. Bonanno, D. Thilmany, M. Martin, M. Pagliassotti, E. Ryan, L. Bellows, R.

Cleary, M. Carolan, P. Meiman, G. Cavdar, and J. Quinn. Vice President for Research's Catalyst for Innovation Partnership Program, Colorado State University, \$5,000.

## **PAPERS PRESENTED/SYMPOSIA/INVITED LECTURES/PROFESSIONAL MEETINGS/WORKSHOPS**

### **Invited Lectures**

56. 2024, The role of participatory processes in policy/project formulation, Technical workshop: Leveraging local and traditional food markets and public food procurement to improve the availability of nutritious food, United Nations Food and Agriculture Organization, Global Alliance for Improved Nutrition, Rome, Italy

55. 2024, UN Expert Group Meeting on Sustainable Development Goal 2 (SDG 2) - End hunger, achieve food security and improved nutrition and promote sustainable agriculture - and its interlinkages with other SDGs, Division for Sustainable Development Goals, United Nations Department of Economic and Social Affairs (UNDESA) and the Food and Agriculture Organization (FAO) United Nations, Rome, Italy

54. 2024, Food and the Cities: From Policy to Plate, Food Trails / City of Milan (with P. Milbourne)

53. 2024, Challenges of Young Farmers in the 21<sup>st</sup> Century, U.S. Embassy Paris, France

52. 2023, The Role of Advanced Computation, Predictive Technologies, and Big Data Analytics Related to Food and Nutrition Research: A Workshop, National Academies of Sciences, Engineering, and Medicine, Washington, D.C.

51. 2023, Why Engaged Research on Food Systems, Invited keynote at the Inaugural University of Vermont & U.S. Department of Agriculture Agricultural Research Service Food Systems Research Center Summit, Burlington, VT

50. 2023, Unveiling the Future: Harnessing Policy Innovations for Food System Transformation, World Food Prize Foundation, Norman E. Borlaug International Dialogue, invited presentation at side event sponsored by the Food Systems Economics Commission and EAT, virtual

49. 2023, Considerations for successful beginning farmer and rancher development programs, invited presentation to the U.S. Department of Agriculture National Institute of Food and Agriculture Beginning Farmer and Rancher Development Program Project Directors, Denver, CO

48. 2023, Public Food Procurement to Meet New York City's Climate Goals, Climate Week NYC, New York, NY

47. 2023, Resilient short value chains, General Assembly of the World Farmers Markets Coalition, Rome, Italy

46. 2023, A path to less data formatting and better data reporting, Farm to Institute New England Annual Summit, virtual

45. 2022, Knowledge Sharing Workshop, Invited workshop lead for the European Commission funded Horizon 2020 FoodTrails project, Thessaloniki, Greece (with Frederike Praasterink)
44. 2022, U.S. Beginning farmers and ranchers, Invited presentation to the U.S. Department of Agriculture Beginning Farmer Program, virtual
43. 2022, Local and regional food systems, National Farm Business Management Conference, Fort Collins, CO
42. 2022, Understanding and Supporting a Continuum of Agricultural Businesses: Succession Relationships for YBS Farmers and Ranchers, The National Forum on Serving Young, Beginning, and Small Farmers and Ranchers, Farm Credit Administration, Fort Collins, CO
41. 2022, Data + Metrics: Helping Markets Make the Case through Research and Dashboards, InTENTS, 2022 Annual Meeting of the National Farmers Market Association, San Diego, CA
40. 2022, A Systems-Based Approach to Evaluating Urban Food Procurement Policies, Department of Agricultural Economics & Rural Sociology, Auburn University, virtual
39. 2022, Food Policy Structures and Governance: A Regional Food System Planning Perspective, Virginia Tech (with Karen Bassarab)
38. 2021, The Future of Sustainable Food: Bridging the Hunger Divide, Public Affairs Conference, Missouri State University
37. 2021, Bridging Rural-Urban Needs, Power of Food Convening, Johns Hopkins University, virtual due to COVID (with Jill Clark)
36. 2021, Farm to School Research and Rural Implications, U.S. Department of Agriculture, Food and Nutrition Service, virtual
35. 2021, Food Systems and Security during COVID-19, Ethics and Ecological Economics Forum, virtual
34. 2021, Emergency Food Provision for Children and Families during the COVID-19 Pandemic: Examples from Five U.S. Cities, Robert Wood Johnson's Healthy Eating Research Nutrition & Obesity Network, Policy Research Evaluation (HER NOPREN), virtual
33. 2020, Stocks of Community Wealth and the Local Value-Added Food and Agriculture Sector, Department of Agricultural and Applied Economics Seminar Series, Virginia Tech, virtual
32. 2020, Food Systems and Sustainability. Scoping workshop on sustainable energy opportunities in food systems, Joint Institute for Strategic Energy Analysis, The National Renewable Energy Laboratory, keynote presentation, presented virtually due to COVID-19
31. 2020, Leveraging Urban Food Markets to Support Rural-Urban Linkages and Rural Economic Development, Urban Food Systems Symposium, Kansas City, MO \*event cancelled due to COVID-19

30. 2020, Trends in Direct Marketing and Regional Food Systems: Implications and opportunities for Extension, 2020 Extension Risk Management Education Conference, Denver, CO \*event cancelled due to COVID-19
29. 2019, Opportunities for Value Added Dairy, University of Minnesota Extension, MN, keynote
28. 2019, Tension and Trade-Offs in Food System Work, Massachusetts Food System Forum, College of the Holy Cross, Worcester, MA, keynote
27. 2019, Leveraging Urban Food Markets to Support Rural-Urban Linkages and Regional Economic Development, 2019 Farm and Food Conference, Kansas Rural Center, Wichita, KS, keynote
26. 2019, Integrating Community and Modeling Efforts to Evaluate Impacts and Tradeoffs in Food System Interventions, Smart Urban Food Systems Summit, Foundation for Food and Agriculture Research, Brooklyn, NY
25. 2019, Leveraging Urban Food Markets to Support Rural Economic Development, 2019 Economic Development Conference for the EDA Denver Region, U.S. Department of Commerce, Economic Development Administration, Denver, CO
24. 2019, Food System Linkage to Rural Economic Development, Innovations in the Food System: Shaping the Future of Food, Food Forum Workshop, The National Academies of Sciences, Engineering, and Medicine, Washington, D.C.
23. 2019, Recent and Emerging Evidence of Food Systems as Economic Development, Western Kansas Rural Economic Development Alliance
22. 2019, Rural-Urban Linkages Instead of Divides: Connecting metropolitan food plans to the countryside, Colorado State University Lecture, Fort Collins, CO (with M. Carolan)
21. 2019, Opportunities to Build Connections between Colorado Producers and Colorado Consumers, Foodshed Forum and Statewide Farm to Institution Summit, University of Colorado, Colorado Springs, CO, keynote presentation
20. 2019, Growing Local Food Economies: Good Food Good Business, University of Missouri Extension, keynote presentation
19. 2018, Measuring the Stock of Rural Wealth: coalescing county-level measures, Ostrom Workshop Colloquium Series, Indiana University, Bloomington, IN
18. 2018, Eating Well Together: Developing Partnerships for a Local Food Economy, U.S. Department of Agriculture-SARE/ATTRA National Conference, St. Louis, MO
17. 2018, Local Food System Economics, National Farm Business Management Conference, Harrisburg, PA

16. 2018, Using Data to Inform Direct Market Programming and Initiatives: farm and ranch profitability implications, National Direct Agricultural Marketing Summit, Arlington, VA (with D. Thilmany McFadden and M. LeRoux)
15. 2018, Lessons Learned and Future Needs for Local Food Economic Research and Outreach: An Overview of USDA-Funded work on Local and Regional Small and Mid-Size Farms, U.S. Department of Agriculture, National Institute of Food and Agriculture, Washington, D.C. (with D. Shideler and D. Thilmany)
14. 2018, The Financial Performance Implications of Differential Marketing Strategies: Exploring Farms the Pursue Local Markets as a Core Competitive Advantage, U.S. Department of Agriculture, Economic Research Service, Washington, D.C. (with D. Shideler and D. Thilmany)
13. 2018, The Financial Performance Implications of Differential Marketing Strategies: Exploring Farms the Pursue Local Markets as a Core Competitive Advantage, U.S. Department of Agriculture, Agricultural Marketing Service, Washington, D.C. (with D. Shideler and D. Thilmany)
12. 2017, Trends in Emerging Food Markets and Implications for Regional Economic Development, Farm to Fork Conference, Western State University, Keynote Address, Gunnison, CO
11. 2017, Regional Food Systems, 2017 Federal Reserve Policy Summit, The Cleveland, Philadelphia, and Minneapolis Federal Reserve Banks, Cleveland, Ohio
10. 2017, A Toolbox for Early-Career and Future Extension Educators, Agricultural and Applied Economics Association Annual Meeting, Chicago, IL
9. 2017, Evaluating the Rural Impacts of an Urban Local Food System Initiative, Department of Agricultural, Environmental, and Development Economics, The Ohio State University, Columbus, Ohio
8. 2017, Applying Comprehensive Wealth Accounting to Evaluating the Impacts of Local Food System Initiatives, U.S. Department of Agriculture, Economic Research Service, Washington, D.C.
7. 2016, Rural Wealth Creation: Ongoing Research and Future Collaborations,” Rural Policy Research Institute (RUPRI), Iowa City, IA.
6. 2015, The Economics of Local Food: Strategies and Impact, Oregon Small Farm Program’s National Conference, Oregon State University, Corvallis, OR.
5. 2014, Economic Impacts of Food Hubs, The Wallace Center Winrock International, National Food Hub Conference, Raleigh, NC (with Rich Pirog)
4. 2014, The Emergence of Food Hubs and Their Impact on Farmers’ Markets,” New York State Farmers’ Market Federation Annual Meeting, Keynote address, Binghamton, NY
3. 2013, Purchasing Patterns for Local Food Producers: Estimating Economic Impacts, An Open Forum to Strengthen Collaborations between Research, Outreach, and Education for the

Northeast Food System, The Northeast Regional Center for Rural Development

2. 2013, Assessing the Economic Impacts of Regional Food Hubs: the Case of Regional Access, Know Your Farmer Know Your Food Task Force Meeting, U.S. Department of Agriculture, Washington, D.C.

1. 2013, Estimating the Economic Impacts of Local Foods, U.S. Department of Agriculture, Economic Research Service, Washington, D.C.

### **Professional Meetings/Selected Papers/Presentations**

105. 2024, Community and Economic Impacts of Local and Regional Food Systems, U.S. Department of Agriculture Economic Research Service, Kansas City, MO

104. 2023, A scoping review of regional governance. Food Distribution Research Society Annual Meeting, Washington, D.C. (with A. Irish, M. Kase, A. Long, K. Bassarab, and J. Clark)

103. 2023, Connecting, strengthening, and scaling food supply chains in the Northwest and Rocky Mountain region. USDA Ag Summit, Washington D.C. (with D. Thilman, L. Gwin, and M. Sullins)

102. 2023, The impact of expanded health coverage on US beginning farmers and ranchers. Farm Foundation and U.S. Department of Agriculture Economic Research Service joint conference on U.S. Farm Households' Social and Economic Needs and the Future of Agriculture, virtual (presented by A. Bauman)

101. 2023, The influence of food assistance program participation on the quality of the food home environment is modified by household food security levels. American Society for Nutrition, Boston, MA (presented by \*B. Carmona)

100. 2023, Conducting economic research on local and regional food systems. Applied Agricultural Economics Association Annual Meeting, Washington, D.C. (presented by A. Bauman)

99. 2023, The impact of expanded health coverage on US beginning farmers and ranchers. Applied Agricultural Economics Association Annual Meeting, Washington, D.C. (presented by A. Bauman)

98. 2023, Urban food policies to support sustainable development goals. Cardiff University, Cardiff, Wales, U.K.

97. 2023, Developing responsive community-engagement in participatory urban food systems modeling: Examples from five U.S. cities. American Public Health Association, Atlanta, GA (presented by Chelsea Wentworth)

96. 2022, Do Farmers and Communities Really Win from Farm to School Programs? Applied Agricultural Economics Association Annual Meeting, Anaheim, CA (with Z. Plakias, \*P. Kashyap, \*L. Xu, and J. O'Hara)

95. 2022, Land tenure and profitability outcomes for U.S. beginning farmers and ranchers, Applied Agricultural Economics Association Annual Meeting, Anaheim, CA (with A. Bauman, J. Hadrich, and N. Key)
94. 2022, Local Food Systems Response to COVID: Highlights from Two National Surveys, Western Agricultural Economics Association Annual Meeting, Santa Fe, NM (with \*M. Gill, D. Thilmany, J. Rossi)
93. 2022, Growing Rural Wealth Through Food and Agriculture Development: Opportunities and Next Steps, Agriculture Food and Human Values Society Annual Meeting, Athens, GA
92. 2022, Charting the future(s) for Agriculture and Food of the Middle, Agriculture Food and Human Values Society Annual Meeting, Athens, GA
91. 2022, Leveraging Data to Build Resilient Local and Regional Food Systems, U.S. Department of Agriculture, 2022 Ag Outlook Forum, Washington, DC (recorded)
90. 2021, Opportunities to support beginning farmers and ranchers in the 2023 Farm Bill. Food for Thought: Economic Analysis in Anticipation of the Next Farm Bill. AAEA Post-Conference Workshop. Austin, TX (with J. Hadrich, N. Key, S. Campbell, D. Thilmany, M. Sullins, and A. Bauman)
89. 2021, Exploring Changes in Local Food Purchasing Patterns during COVID-19: Insights from a Nationwide Consumer Survey, Applied Agricultural Economics Association Annual Meeting, Austin, TX (presented by \*H. Edmonson, with D. Thilmany)
88. 2021, Disentangling types of beginning farmers and implications for success and profitability, Applied Agricultural Economics Association Annual Meeting, Austin, TX (with J. Hadrich, D. Thilmany, M. Sullins, and A. Bauman)
87. 2021, Beyond Outreach: Connecting research and Extension to support diverse stakeholders, Applied Agricultural Economics Association Annual Meeting, Austin, TX
86. 2021, Exploring the restaurant industry: Trends, issues, and research opportunities, Applied Agricultural Economics Association's Food and Agricultural Marketing Section webinar
85. 2021, Emerging issues in the Child Nutrition Reauthorization Act, The Council on Food, Agricultural & Resource Economics (C-FARE) webinar
84. 2021, COVID and Household Acquisitions: A case study from Denver, Colorado, Applied Agricultural Economics Association Annual Meeting, Austin, TX (with R. Cleary, \*E. Love, A. Bonanno, \*N. Mena, and L. Bellows)
83. 2021, COVID and food supply chains, Applied Economic Perspectives and Policy Podcast <https://soundcloud.com/user-297451350/431-1-covid-and-food-insecurity-with-becca-jablonski-and-saweda-liverpool-tasie>

82. 2021, Improving Public Health Impact of SNAP in the Farm Bill, Radcliffe Institute, Harvard University
81. 2021, One Place Doesn't Fit All: Improving the Effectiveness of Sustainability Standards by Accounting for Place. Grazing in Future Multi-Scapes Virtual Conference (presented by J. Hale, with K.E. Jablonski, J. Dillon, and M. Carolan)
80. 2020, The Relationship Between Stocks of Community Wealth and the Local Value-added Food and Agriculture Sector: Implications for Food Systems-led Economic Development, Selected Paper, Applied Agricultural Economics Association Annual Meeting, Kansas City, MO (with J. Pender, A. Bauman, A. Rupasingha, and J. Clark) \*presented virtually due to COVID-19
79. 2020, Consumer Stigma and the Reputation Trap Hypothesis: An In-Store Experiment with Colorado Wines, Applied Agricultural Economics Association Annual Meeting, Kansas City, MO (presented by M. Costanigro) \*accepted, but not presented due to COVID-19
78. 2020, A Baseline Assessment of School Food Spending and Local Procurement: Exploring the case of CO HB 19-1132 and other public policies, Selected Paper, Applied Agricultural Economics Association Annual Meeting, Kansas City, MO (presented by \*E. Love, with D. Thilmany) \*presented virtually due to COVID-19
77. 2020, The Impacts of COVID-19 on Local Food Systems in the West, Western Agricultural Economics Association Annual Meeting, Santa Fe, NM (with K. Curtis and Colette DePhelps) \*presented virtually due to COVID-19
76. 2020, Price premiums for wheat attributes throughout the wheat value chain: Hedonic price analysis of flour and sandwich bread, Western Agricultural Economics Association Annual Meeting, Santa Fe, NM (presented by \*H Edmondson with D. Thilmany McFadden) \*presented virtually due to COVID-19
75. 2020, Values-added food and agriculture sector and rural wealth creation, Agriculture and Human Values Society Annual Meeting, Athens, GA (with J. Pender, A. Bauman, A. Rupasingha, and J. Clark) \*accepted, but not presented due to COVID-19
74. 2020, Bridging Divides? A social network analysis of a statewide food summit, Agriculture and Human Values Society Annual Meeting, Athens, GA (with \*J. Hale) \*accepted, but not presented due to COVID-19
73. 2020, An Asset-Based Framework to Defining Rural Development, Chicago Federal Reserve, W.E. Upjohn Institute (Economic Development Quarterly [EDQ]), and the Michigan Citizens Research Council's May 2020 conference on Rural Economic Development in Grand Rapids, Michigan (with S. Inwood, J. Clark, A. Irish, and J. Freedgood) \*accepted, but not presented due to COVID-19
72. 2020, Agricultural manufacturing location decisions in Colorado: Implications for rural economic development policy, Southern Regional Science Association Annual Meeting, Savannah, GA (with \*C. Sheridan, A. Bonanno, and S. Weiler) \*accepted, but not presented due to COVID-19

71. 2020, Values-added food and agriculture sector and rural wealth creation across the U.S., Southern Regional Science Association Annual Meeting, Savannah, GA (with J. Pender, A. Bauman, A. Rupasingha, and J. Clark) \*accepted, but not presented due to COVID-19
70. 2020, The profitability impacts of sales through local food markets for beginning farmers and ranchers, Farm Foundation and USDA Economic Research Service Conference: Emerging Research on Beginning Farmers and Ranchers, virtual (with J. Hadrich, D. Thilmany, A. Bauman, and M. Sullins)
69. 2020, Trends, risks, and opportunities in Western U.S. Agriculture: Implications for Extension, Western Extension Committee Organized Symposium, Western Extension Committee and Western Agricultural Economics Association annual meeting, Santa Fe, NM (with P.L. Hatzenbuehler, H. Tejada, and R.E. Tronstad) \*accepted but presented online due to COVID-19
68. 2020, Integrating theory of change and performance measures into risk management extension programming, Western Extension Committee Organized Symposium, Western Extension Committee and Western Agricultural Economics Association annual meeting, Santa Fe, NM (with D. Mooney and M. Sullins) \*accepted but not presented due to COVID-19
67. 2020, Putting the 'farm' back in 'farm to school': strategies to support farm viability through school markets, National Farm to Cafeteria Conference, Albuquerque, NM (with A. Alma and D. Thilmany) \*accepted but not presented due to COVID-19
66. 2020, Integrating community and modeling efforts to evaluate impacts and tradeoffs of food system interventions, InTERFEWS Seminar, Colorado State University, Fort Collins, CO
65. 2019, An asset-based framework for rural development, Pre-Conference Research Workshop on a Better Understanding to the Challenges and Opportunities Facing Rural Economic Development, Federal Reserve Bank of Chicago, W.E. Upjohn Institute for Employment Research (presented by S. Inwood, with J. Clark, A. Irish, and J. Freedgood)
64. 2019, Value(s) added food and ag sector and its relationship to rural wealth creation, Food Distribution Research Society Annual Meeting, Seattle, WA (with A. Bauman, J. Pender, A. Rupasingha, and J. Clark)
63. 2019, Optimal local foods procurement in the National School Lunch Program: An analysis of potential impacts of farm to school policies on procurement practices, Applied Agricultural Economics Association Annual Meeting, Atlanta, GA (presented by \*A. Long, with M. Costanigro, and M. Frasier)
62. 2019, Exploring the underlying economics of local food producers: Opportunities for rural economic development, Applied Agricultural Economics Association Annual Meeting, Atlanta, GA (presented by \*A. Bauman, with D. Thilmany McFadden)
61. 2019, Do farm to school products increase fresh fruit and vegetable consumption in elementary schools? Applied Agricultural Economics Association Annual Meeting, Atlanta, GA (presented by \*S. Zhou, with M. Costanigro, \*A. Long, and M. Prescott)

60. 2019, Federal Reserve Board, Research and partnerships in regional food systems, Applied Agricultural Economics Association Annual Meeting, Atlanta, GA
59. 2019, Does identification of locally-procured items increase fresh fruit and vegetable consumption? Evidence from a Colorado in-school experiment, Western Agricultural Economics Association Annual Meeting, Coeur d'Alene, ID (with \*S. Zhou, M. Costanigro, \*A. Long, and M. Prescott)
58. 2018, Research opportunities in farm to school, Department of Agricultural and Resource Economics Seminar, Fort Collins, CO (with H. Dombalis, A. Northup Alma, W. Peters Moschetti, and A. Bonanno)
57. 2018, Testing barriers to consumer attendance at farmers markets: A northern Colorado case study, Food Distribution Research Society Annual meeting, Arlington, VA (presented by \*N. Didero)
56. 2018, The Rural Wealth Creation Impacts of Denver's Food Vision, Agricultural and Applied Economics Association, Track Session, Washington, D.C. (with A. Bonanno, D. Thilmany, and R. Cleary)
55. 2018, An Overview of Farm-to-School Programs and Data Availability, Western Agricultural Economics Association, Organized Symposium, Anchorage, AK
54. 2018, A Systematic Review of the Impact of Farm-to-School Related Activities on Student Outcomes, Western Agricultural Economics Association, Organized Symposium, Anchorage, AK (with R. Cleary, M. Prescott, \*A. Long, M. Costanigro, and A. Bonanno)
53. 2018, Measuring the stock of rural wealth: coalescing county-level measures, Economics of Local Food, Northeastern Agricultural and Regional Economics Association, Philadelphia, PA (with T.M. Schmit, A. Bonanno, L.O. Christensen, and T. Johnson)
52. 2018, Navigating strategic food system change: A road map for community food and agriculture plans. National Good Food Network Conference: An Initiative of the Wallace Center at Winrock International, Albuquerque, NM (with R. Roy, B. Angelo, D. Thilmany)
- Selected half-day training
51. 2018, Evaluating the Farm Profitability Impacts of Local and Regional Food Systems, Department of Crop and Soil Science Seminar Series, Colorado State University
50. 2018, Exploring the Farmer in Farm to School: An Initial Look at Farmer Financial Outcomes from Participation in Intermediated Sales, Agricultural and Applied Economics Association, Track Session, Washington, D.C. (with D. Thilmany McFadden, A. Bonanno and A. Bauman)
49. 2018, The Farm and Ranch Profitability Impacts of Sales through School Markets, Western Agricultural Economics Association, Organized Symposium, Anchorage, AK (with D. Thilmany McFadden, A. Bonanno and A. Bauman)

48. 2018, Financial Performance Implications of Sales through Direct and Intermediated Markets: Current Research and Future Needs to Support Extension Programming, Western Extension Committee, Anchorage, AK (with M. Sullins and D. Thilmany McFadden)
47. 2017, Initial Results from the Colorado Marketing Channel Assessment: Benchmarks and Lessons Learned, Food Distribution Research Society Annual Meeting, Honolulu, HI (presented by D. Thilmany, with \*E. Naasz, \*J. Christensen\*, and M. Sullins)
46. 2017, Optimizing Portfolios for Colorado Specialty Crop Producers, Western Agricultural Economics Association, Reno, NV (presented by \*J. Christensen, with D. Thilmany and M. Sullins)
45. 2017, Exploring regional dimensions of farm financial performance among those targeting direct and intermediated markets, Western Regional Science Association Annual Meeting, Santa Fe, NM (presented by D. Thilmany)
44. 2017, Comprehensive Wealth Accounting, North American Regional Science Association Annual Meeting, Vancouver, Canada (with T.M. Schmit, D. Kay, and T. Johnson)
43. 2017, Urban and Rural Impacts of Farm Participation in Urban Markets: the Case of GrowNYC,” Agricultural and Applied Economics Association Annual Meeting, Chicago, IL (with T.M. Schmit)
42. 2017, Comprehensive Wealth: Evaluating the Rural Impacts of an Urban Local Food System Initiative, Agricultural and Applied Economics Association Annual Meeting, Track Session Organizer, Chicago, IL (with T.M. Schmit, D. Kay, and T. Johnson)
41. 2017, A Blueprint for Colorado Food and Agriculture: Extension’s Role in Identifying Opportunities, Priorities, Investments, and Programming to Support Colorado’s Food System, Western Extension Committee Annual Meeting, Reno, NV
40. 2017, School districts and their local food supply chains: Implications for farm to school programs, Western Agricultural Economics Association Annual Meeting, Reno, NV (with L. Christensen\* and J. O’Hara)
39. 2017, Generating Wealth through Food Systems Led Development, Agriculture and Human Values Society Annual Meeting, Occidental College, Los Angeles, CA
38. 2017, School districts and their local food supply chains: Implications for farm to school programs, Agriculture and Human Values Society Annual Meeting, Occidental College, Los Angeles, CA (with L.O. Christensen\* and J. O’Hara)
37. 2017, Evaluating the Rural Impacts of an Urban Local Food System Initiative, Department of Agricultural and Resource Economics Seminar Series, Colorado State University, Fort Collins, CO
36. 2017, Innovation in US Food Policy Implementation: A New Model for a New Agenda, American Society of Public Administration Annual Meeting, Atlanta, GA (presented by J. Clark)

35. 2016, Assessing the Economic Impacts of Local Food Systems: A Toolkit and Meta-Analysis to Evaluate Ongoing and Future Efforts," U.S. Department of Agriculture, National Small Farm Conference, Virginia Beach, VA (with D. Thilmany, D. Tropp)
34. 2016, Applying comprehensive wealth accounting to evaluating the impacts of local food system initiatives," Agricultural and Applied Economics Association Annual Meeting, Track Session Organizer, Boston, MA (with T. Schmit and D. Kay)
33. 2016, Determinants of effective beginning farmer programming and implications for emerging USDA programs, Western Agricultural Economics Association, Victoria, Canada (with J. Christensen\*, D. Thilmany McFadden, M. Sullins, and K. Curtis)
32. 2016, The effect of varietal and regional information on consumer taste perceptions: challenges and opportunities for nascent wine regions, Western Agricultural Economics Association, Victoria, Canada (with M. Costanigro)
31. 2016, Assessing Market Channel Performance for Colorado Fruit and Vegetable Producers," Food Distribution Research Society, New Orleans, LA (with J. Christensen\*, D. Thilmany McFadden, and M. Sullins)
30. 2016, Determinants of Small Farm Profitability – How Important are Local Foods? U.S. Department of Agriculture, National Small Farm Conference, Virginia Beach, VA (with T. Schmit and S. Vogel)
29. 2016, Evaluating scale and technical efficiency among farms and ranches with a local market orientation," Agricultural and Applied Economics Association Annual Meeting, Track Session Organizer, Boston, MA (with A. Bauman\* and D. Thilmany McFadden)
28. 2016, The financial performance implication of differential marketing strategies: Exploring farms that pursue local markets as a core competitive advantage, Agricultural and Applied Economics Association Annual Meeting, Boston, MA (with D. Thilmany McFadden and \*A. Bauman)
27. 2016, Determinants of Small Farm Profitability: How Important are local foods?" Agricultural and Applied Economics Association Annual Meeting, Track Session Organizer, Boston, MA (with S. Vogel and T. Schmit)
26. 2015, Determinants of Small Farm Profitability: How Important are Local Foods? Agriculture and Human Values Conference, Pittsburgh, PA (presented by S. Vogel)
25. 2015, Rural Communities to GrowNYC's Greenmarkets: Spatial Analysis to Understand Urban-Rural Linkages, Association of Collegiate Schools of Planning, Houston, TX (with J. Minner)
24. 2015, Food System Planning: Do Rural Areas Deserve Special Attention?" Association of Collegiate Schools of Planning, Houston, TX (with J. Clark)
23. 2015, Enhancing the Applied Knowledge of Local Food Systems' Economic Impacts: A National Research and Training Effort, Agricultural and Applied Economics Association Annual

Meeting, San Francisco, CA (with D. Thilmany, T.M. Schmit, D. Hughes, S. Deller, D. Swenson, P. Watson, and D. Conner)

22. 2015, Measuring the Rural Wealth Creation Impacts of Local Food Systems,” Agricultural and Applied Economics Association Annual Meeting, San Francisco, CA

21. 2015, The Rural Wealth Creation Impacts of Local Food System Initiatives, Agriculture and Human Values Conference, Pittsburgh, PA (with D. Kay)

20. 2015, A USDA AMS Toolkit to Evaluate the Economic Impacts of Food System Initiatives, Agriculture and Human Values Conference, Pittsburgh, PA (with D. Tropp and D. Conner)

19. 2015, Assessing the Economic Impact of Local Food Systems – Framing a Meta-Analysis for the US, National Value-Added Agriculture Conference, Austin, TX (with D. Thilmany McFadden, D. Hughes, and B. Angelo)

18. 2015, Measuring the Community Economic Impacts of Regional Food Systems, Rethinking Capitals: Going Beyond the Financial, ICAEW and Newcastle University Business School, London, UK

17. 2014, Food Systems and Regional Economic Development: Evaluating Policies and Methods, The Food Distribution Research Society Annual Meeting, Salt Lake City, UT

16. 2014, ‘Better Butter’: Local Food Systems as a Catalyst for Innovation, Applied Agricultural Economic Association, Minneapolis, MN

15. 2014, Leveraging Federal Data Sources: The Case of Local Food Assessments,” CRENET Track Session, Agricultural and Applied Economics Association Annual Meeting, Minneapolis, MN

14. 2014, Impact of Market Channel on the Costs of GAPs for Produce Growers in CO and NY, The Food Distribution Research Society Annual Meeting, Salt Lake City, UT (with M. Sullins)

13. 2014, Farm-level Impact of Scaling Up Local Food Systems Through Grocers’ Purchasing,” Agriculture and Human Values Conference, Panel Organizer, Burlington, VT (with C. Gupta)

12. 2013, Local’ producers’ production functions and their importance in estimating economic impacts, Applied Agricultural Economic Association, Washington, D.C. (with T.M. Schmit)

11. 2013, Local’ producers’ production functions and their importance in estimating economic impacts, Agriculture and Human Values Conference, East Lansing, MI (with T.M. Schmit)

10. 2013, Telling Your Story: Quantifying the Economic Impacts of Local Food Systems, Applied Agricultural Economic Association Graduate Student Competition, Washington, D.C.

9. 2013, Local’ producers’ production functions and their importance in estimating economic impacts, Northeast Agricultural Economics Association, Ithaca, NY (with T.M. Schmit)

8. 2013, The Rural Impact of Urban Concentrated Local Foods Initiatives, Association of Collegiate Schools of Planning and Association of European Schools of Planning Joint Conference, University College Dublin, Ireland
7. 2013, The Rural Impact of Urban Concentrated Local Foods Initiatives, International Geographical Union, Commission on the Dynamics of Economic Spaces, Humboldt University of Berlin, Germany
6. 2013, The Effect of 'Local' and 'Scale' in Local Agri-Food Systems, The Association of American Geographers Annual Conference, Los Angeles, CA
5. 2012, Impacts of Local Food System Activities on a Regional Economy: A case study from upstate New York, Northeastern Agricultural and Resource Economic Association Annual Meeting, Lowell, MA (presented by T.M. Schmit)
4. 2012, Local Food Infrastructure in NYS: a Social Accounting Matrix and Structural Path Analysis Approach, Applied Agricultural Economics Association Food Environment Symposium, Boston, MA (with Y. Mansury)
3. 2012, Distribution in New York State, The Association of American Geographers Annual Conference, New York, NY
2. 2011, Planning for Sustainable Communities: the Role of Agri-Food Wholesale Distribution, The Association of Collegiate Schools of Planning Annual Conference, Salt Lake City, UT
1. 2011, Distribution Infrastructure to Support Vibrant Farms and Rural Communities, Rural Wealth Creation and Livelihoods Conference: convened by the USDA Economic Research Service and the Ford Foundation, Washington, D.C.

#### **Extension/Outreach Presentations**

290. 2024,
289. 2024, Farm to school research and evaluation, California Farm to School Evaluation Team (virtual)
288. 2023, Colorado Food Summit, Denver, CO
- Raised >\$330,000 for a two-day event that included >675 participants, including 65 young leaders
  - Led planning and all aspects of organizing and implementing the event.
  - More information: [coloradofoodsummit.com](http://coloradofoodsummit.com)
287. 2023, Farm to Loading Dock Convening, Denver, CO
286. 2023, Colorado Food Summit, Colorado Proud Podcast. Colorado Department of Agriculture (virtual)

285. 2023, Integrating Community and Modeling Efforts to Evaluate Impacts and Tradeoffs of Food System Interventions. Tipping Points Webinar, Foundation for Food and Agricultural Research (virtual)
284. 2023, Northwest Rocky Mountain Regional Food Business Center, Rocky Mountain Farmers Union Annual Convention, Greeley, CO
283. Colorado State University Food Systems Extension Team Meeting, Office of Engagement and Extension Annual Forum, Fort Collins, CO
282. 2023, Evaluating the U.S. Department of Agriculture's Regional Food Business Center, post-Ag of the Middle discussion, Minneapolis, MN
281. 2023, Evaluation plan. Northwest Rocky Mountain Regional Food Business Center Launch, Denver, CO
280. 2023, Capturing tradeoffs in New York City's food procurement decisions. NYC Mayor's Office of Food Policy / Department of Community Planning Regional Food Working Group (virtual)
279. 2023, What is farm to school? Colorado Proud Podcast. Colorado Department of Agriculture (virtual)
278. 2023, "Local" food and sustainability. Science on Tap. Colorado State University. Fort Collins, CO
- 273-277. Point of Sale (POS) systems that support farmers and ranchers. Four recorded webinars, and small segment clips. Western Extension Committee.  
<https://localfoodeconomics.com/point-of-sale/>
272. 2023, The National Meat Summit Steering Committee. Niche Meat Processor Assistance Network (virtual)
271. 2023, Data to support local/region/state food systems. U.S. Department of Agriculture, Agricultural Marketing Service (virtual)
270. 2023, Food Systems Institute Introduction to Extension. Office of Extension and Engagement, Colorado State University (virtual)
269. 2023, The value of faculty-Extension positions to support University food systems work. Local food systems town hall, Kansas State University (virtual)
268. 2023, The Milan Urban Food Policy Pact: Opportunities for cities in North America, virtual
- Co-sponsored by American Planning Association's Food Division, Johns Hopkins University's Center for a Livable Future, US-UK Fulbright Commission, FoodTrails, and the CSU Food Systems Institute

267. 2023, Regional Food Policy Council Project: Taking a Regional Approach to Strengthening Food Systems. Johns Hopkins University Center for a Livable Future, virtual

266. 2023, UK-US-EU opportunities for subnational food policy learning, Sustainable Food Places, London, England

265. 2023, Regional Tradeoffs Associated with Denver's Implementation of the Good Food Purchasing Program, by Scenario, Presentation to the Good Food Purchasing Program Coalition, (virtual)

264. 2022, Colorado Food Summit, Denver, CO

- Statewide event including >480 attendees, raised >\$160,000

263. 2022, Looking ahead: Innovations and Programs Supporting Local and Regional Supply Chains, U.S. Department of Agriculture Agricultural Marketing Service, Local and Regional Food Systems Response to COVID, Recovery and Resilience Webinar Series (virtual)

262. 2022, The Impact of Farm to School Legislation on Farmers, Supply Chain Businesses, Rural Communities and Economics, Presentation to the National Farm to Institution Metrics Collaborative and Farm to Institution New England (virtual)

261. 2022, Grant opportunities, Presentation to Larimer County

260. 2022, Strategic Marketing, Colorado Building Farmer Program, Larimer County, CO

259. 2022, Integrating Community and Modeling Efforts to Evaluate Impacts and Tradeoffs of Food System Interventions, Presentation to Denver's Sustainable Food Systems Advisory Councils, Denver, CO

258. 2022, Colorado State University's Food Systems Institute, Presentation to Governor Jared Polis, Fort Collins, CO

257. 2022, Measures of Farm to School Participation Intensity, Presentation to the Mountain Plains Farm to Child Nutrition Program, U.S. Department of Agriculture, Food and Nutrition Service (virtual) (presented by \*P. Kashyap)

256. 2022, Centering Community in USDA AMS Regional Food Business Center, Johns Hopkins University Center for a Livable Future (virtual)

244-255, 2022, Colorado Food Summit Regional Convenings (with the Colorado Food Systems Advisory Council and the Colorado Department of Agriculture) (more information:

<https://foodsystems.colostate.edu/events/foodsummit2022/pre-summit/>)

- Larimer County
- Boulder County
- Yuma, CO
- Southeast, CO
- Routt and Moffat Counties, CO

- Archuleta County, CO
- Southwest, CO
- El Paso County, CO
- Denver and Jefferson Counties, CO
- Western Slope, CO
- Pueblo County, CO
- San Luis Valley, CO

243. 2022, Impacts of farmers markets, Presentation to the North Dakota Farmers Market Association (virtual)

242. 2022, Producer input for a \$20,000 investment in San Luis Valley value added ag processing, Southern Rocky Mountain Ag Conference, Monte Vista, CO (with R. Hill)

241. 2021, School food supply chains: Opportunities to provide support in Colorado, Session at the Office of Engagement and Extension Forum, Colorado State University (with L. Brislen and M. Carolan)

240. 2021, Results from the Denver food acquisition survey of low-income households, Presentation to the Denver Department of Public Health and Environment, virtual (with A. Bonanno, R. Cleary, \*E. Love, \*N. Mena, and L. Bellows)

239. 2021, Navigating USDA Grants to Future your Farm to School Efforts, Nourish Colorado, virtual

237-8. 2021, Food Supply and COVID, Presentation at the Summer AgriCULTURE Institute, two presentations

- Grand Junction, CO
- Brighton, CO

236. 2021, Colorado Food Summit, Presentation to Colorado's Food Policy Councils, virtual

235. 2021, Food systems programming updates for CSU's Ag Business Management team, Colorado State University Extension, virtual (with M. Sullins and D. Thilmany)

234. 2021, Food Supply and COVID, COVID-19 Speaker Series, Colorado State University Alumni Association

233. 2021, Framing and developing Federal food systems grants, Colorado farm and food system response team (with D. Thilmany)

232. 2021, New opportunities & collaborations for Colorado's meat processing sector, KVFN radio <https://www.kvnf.org/post/new-opportunities-collaborations-colorados-meat-processing-sector#stream/0>

231. 2021, Colorado Water Plan Scoping Workshop, Colorado Department of Natural Resources, virtual (with B. Angelo)

230. 2021, Integrating Community and Modeling Efforts to Evaluate Impacts and Tradeoffs of Food System Interventions, Presentation to the Foundation for Food and Agricultural Research (FFAR), virtual (with \*E. Love)

229. 2021, New Opportunities and Collaborations for CO's Meat Processing Sector, Colorado State University, virtual

228. 2021, Allied Activities in the San Luis Valley to Support Community Economic Development: Opportunities to Engage, Southern Rocky Mountain Agricultural Conference, virtual (with B. Angelo, R. Hill, J. Freedgood, and D. Thilmany)

227. 2021, Colorado Proud Virtual Roundtable: Growing, Evolving and Thriving Colorado Agriculture, Colorado Department of Agriculture

226. 2021, Navigating funding opportunities support Colorado agriculture, Colorado State University Food Systems Initiative Webinar (with M. Russell, D. Thilmany, D. Trotta and M. Sullins)

225. 2021, Cultivating relationships that work for producers and child nutrition programs, LoProCo Workshop, Nourish Colorado, virtual

224. 2021, Consumer trends, Colorado Fruit and Vegetable Growers Association annual meeting, virtual due to COVID (with \*H. Edmondson, \*M. Gill, and D. Thilmany)

223. 2021, Market Trends Episode, Cultivation Station podcase, Colorado Department of Agriculture, virtual (with D. Thilmany)

222. 2021, Conventional and alternative wheat production and supply chains, Colorado Grain School, University of Colorado- Colorado Springs, virtual (with \*E. Love)

221. 2021, Consumer food insights: COVID-19, Southern Rocky Mountain Agricultural Conference, virtual (with \*H. Edmondson, \*M. Gill, and D. Thilmany)

220. 2021, Insuring local food production, Presentation to the Colorado Fruit and Vegetable Growers Association's Board of Directors, virtual

219. 2021, Business plan review, Colorado Building Farmers program, Colorado State University Extension, virtual

211-218. 2020-2021, Local and regional food systems response to COVID webinar series, eXtension local and regional food systems: <https://lfscovid.localfoodeconomics.com/webinar-series/> (with D. Thilmany)

- Marketing innovations when communities eat at home
- Retaining and engaging new local customers: tension and opportunities
- Emergency food, charity and the local food system
- Innovations in state policy and implications for local and regional food sectors

- Formal and informal cooperative development to support local and regional food systems
- Online platforms: Pivots and planning for the future
- Consumer food insights: Data to guide markets beyond the COVID-19 era
- Next steps to support the local food system during pandemic recovery: USDA's perspective

210. 2020, Introduction to market differentiation and competitive advantage: Implications for your operation, Presentation to the Colorado Building Farmers program, Colorado State University Extension, virtual

209. 2020, Market trends, Presentation to the Colorado Building Farmers program, Colorado State University Extension, virtual

208. 2020, Using market channels to estimate COVID impacts, Colorado Food Systems Forum, Webinar (with D. Thilmany)

207. 2020, Exploring potential market opportunities for Colorado produce, Western Horticultural Society Annual Meeting, Grand Junction, CO (with D. Thilmany)

206. 2020, Engaged Scholarship Discussion on COVID-19 Impacts on Agriculture and Food Systems Workers' Health and Safety, High Plains Intermountain Center for Agricultural Health and Safety, Webinar

205. 2020, Opportunities for Value-Adding: Food Asset Mapping to Understand Opportunities for Agricultural Economic Development that Reduces Water Consumption, Presentation to the San Luis Valley Value Added Agricultural Council, Webinar

204. 2020, Three stories of agriculture leadership on Colorado's most pressing water challenges, 2020 Upper Colorado River Basin Water Forum, Western Colorado University, Gunnison, CO

203. 2020, Food asset mapping: Leveraging assets to expand opportunities for food systems led economic development, Presentation to the Pueblo Food Project Environment Working Group, Webinar

202. 2020, Update on CSU's Food Systems Extension Team, Presentation to CSU Extension, Webinar

201. 2020, CSU's Food Systems Initiative, Presentation to Centura Health's Food Security Committee, Webinar

200. 2020, Food asset mapping in Colorado: Leveraging assets to expand opportunities for food systems led economic development, Presentation to CO Water Plan State Advisory Board, Webinar

199. 2020, Mapping and mitigating potential impacts of COVID-19 to Colorado Food and Ag, Regional Economic Development Institute Seminar Series, Webinar (with D. Thilmany)

198. 2020, The Colorado Food Summit and Colorado State University's Task Force on Colorado Food Supply, Denver Sustainable Food Policy Council, Denver, CO \*presented virtually due to COVID-19
197. 2020, Food to Fork: Reviewing the COVID-19 Food Supply Chain, Denver Metro Chamber of Commerce, webinar
196. 2020, Colorado Food Supply Chain, Cybersecurity and Infrastructure Security Agency, Department of Homeland Security, webinar
195. 2020, Colorado State University's Task Force on Colorado Food Supply, Colorado State University Food Systems Initiative Webinar Series, webinar
194. 2020, Values-based procurement policies: Opportunities and challenges, National Good Food Network Annual Meeting, The Wallace Center, New Orleans, LA (with A. Delwiche, H. Johnston, and E. Smith) \*accepted, but I did not present due to COVID-19
193. 2020, Emerging market opportunities in Denver: A 2020 update, Colorado Fruit and Vegetable Growers Association Annual Meeting, Denver, CO
192. 2020, Colorado Food Summit, Denver, CO
- Planned and executed event including >315 food system stakeholders throughout Colorado
191. 2019, Leveraging urban food markets to support farmers, ranchers, and rural communities, 2019 Eastern Colorado Crop Production Conference, Fort Morgan, CO
190. 2019, Evaluating and measuring food systems impact, Massachusetts Food Systems Forum, College of the Holy Cross, Worcester, MA
189. 2019, Assessing the economic impact of food systems programming, policies, and initiatives, 2019 Farm and Food Conference, Kansas Rural Center, Wichita, KS
188. 2019, Kids win and farms win: What do we know about the impacts of farm to school. National Farm to School Network webinar (with D. Thilmany and M. Pflugh Prescott)
187. 2019, Market opportunities resulting from Denver's food vision and plan: Opportunities to build rural-urban linkages, Denver Sustainable Food Policy Council, Denver, CO (with M. Kalb)
186. 2019, Building capacity in Colorado's livestock processing sector, Colorado Association of Meat Processor's Annual Meeting, Ignacio, CO
185. 2019, Support for your food or agricultural business, 3<sup>rd</sup> annual Colorado Cottage Foods Forum, Commerce City, CO
184. 2019, Evaluating the economic impact of the National Young Farmers Coalition work, National Young Farmers Coalition, webinar

183. 2019, Evaluating the regional impacts of local food system initiatives, Oregon State University Extension
182. 2019, Exploring market opportunities in the San Luis Valley: Efforts to promote resiliency and rural wealth creation, Colorado Department of Natural Resources, Denver, CO
181. 2019, Evaluating emerging practices and markets for Colorado wheat based systems, Colorado Wheat Research Foundation, Fort Collins, CO (with M. Schipanski)
180. 2019, Navigating strategic food system change: A road map for community food and agriculture plans, Engagement Scholarship Consortium, Denver, CO (with D. Thilmany and B. Angelo)
179. 2019, Opportunities for food markets and agritourism: Colorado Blueprint of Food and Agriculture, AgriSummit, Salida, CO (with D. Thilmany)
178. 2019, Crafting winning food system grant proposals – an NGFN webinar, Wallace Center, Webinar (with Dr. Thilmany and J. O’Hara)
177. 2019, Crafting winning food system grant proposals, CSU Extension webinar (with D. Thilmany and M. Sullins)
176. 2019, Emerging wholesale marketplace opportunities in Denver Metro, Colorado Fruit and Vegetable Growers Annual Meeting, Denver, CO
175. 2019, Colorado Blueprint of Food and Agriculture: Engaging partners and catalyzing impacts, Colorado State University Ag Leadership Council, Denver, CO (with D. Thilmany)
174. 2019, Outcomes and metrics for farm to child nutrition program success in State planning: Creating your State’s 2025 vision, Farm to Child Nutrition Program Summit, U.S. Department of Agriculture, Food and Nutrition Service, Denver, CO
173. 2019, Cultivating relationships that work for producers and Child Nutrition Programs, Farm to Child Nutrition Program Summit, U.S. Department of Agriculture, Food and Nutrition Service, Denver, CO
172. 2019, Research opportunities in farm to school: Summary of a CSU research project funded by NIFA, National Farm to School Network Research Committee (with A. Bonanno)
171. 2019. Farm to school and the fresh fruit and vegetable program: Evidence from a Colorado experiment, Colorado School Nutrition Association Annual meeting, Loveland, CO (with M. Costanigro, \*S. Zhou, \*A. Long, and M. Prescott)
170. 2019, Panel discussion on rural issues, Colorado Farm Bureau, Denver, CO
169. 2019, Evaluating the rural and regional impacts of urban-based local food system initiatives, GrowNYC (Formerly the NYC Council on the Environment), New York, NY

168. 2019, Local food procurement: A catalyst for small farm economics (with D. Thilmany), The Council on Food, Agricultural & Resource Economics (C-FARE), webinar
167. 2019, Focus on farm financials: Tools and practices, eXtension Community Local Regional Food Systems Community of Practice Open Forum (with D. Thilmany)
166. 2019, Assessing Market Opportunities for San Luis Valley Ag and Food Businesses, Southern Rocky Mountain Ag Conference, Monte Vista, CO
165. 2019, Taking the Leap and Growing your Brand in Retail and Beyond, Colorado Department of Agriculture, Fort Collins, CO
164. 2019, Taking the Leap and Growing your Brand in Retail and Beyond, Colorado Department of Agriculture, Broomfield, CO
163. 2019, Market Opportunities for Small-Scale Farmers, GoFarm, Golden, CO (with M. Sullins)
162. 2019, Assessing Market Opportunities for Colorado Fruit and Vegetable Growers, Western Horticultural Society Annual Meeting, Grand Junction, CO (with D. Thilmany)
161. 2019, Opportunities in specialty markets, El Paso County Extension, Annie's Project, Colorado Springs, CO
160. 2018, What is your niche? Identifying and developing tools to access your target markets, From Kitchen to Commercial: A Food Business Development Seminar, CSU Extension, Aurora, CO
159. 2018, Marketing channels and financial performance of farms and ranches, Ag Entrepreneurship and Economic and Community Development Extension Program Team, Penn State University, Webinar
158. 2018, Emerging consumer opportunities for food entrepreneurs in Colorado, Denver Start Up Week, Denver, CO (with G. Graff, A. Ichwan, and S. Jones)
157. 2018, Local food and specialty markets: Trends and profitability impacts, Annie's Project, Rocky Mountain Farmers Union, Estes Park, CO (presented by M. Sullins)
156. 2018, Market Channel Assessments, National Incubator Farm Training Initiative National Field School, Boulder, CO (presented by D. Thilmany McFadden and M. Sullins)
155. 2018, Market Channel Assessments, Colorado Fruit and Vegetable Growers Association Micro-Webinar (with D. Thilmany)
154. 2018, The Financial Performance Implications of Differential Marketing Strategies: Exploring Farms the Pursue Local Markets as a Core Competitive Advantage, National Sustainable Agriculture Coalition, Washington, D.C. (with D. Shideler, and D. Thilmany McFadden)
153. 2018, Profitability of Sales by Market Channel, GoFarm Farmer Training, Golden, CO

152. 2018, A Closer Look at How the Business Decisions and Financial Performance of Local and Regional Small and Mid-Size Farms influence Community Economic Outcomes, eXtension Community Local and Regional Food Systems (with J. O'Hara, D. Shideler, and D. Thilmany McFadden)
151. 2018, Markets, Marketing, and Market Channel Selection, Jefferson County Building Farmers Program, Denver, CO
150. 2018, Business Plan Development, Old Fort Market Garden Incubation Education, Durango, CO, Webinar
149. 2018, Market opportunities, Gunnison, CO
- Planned and coordinated event for Colorado potato, sweet corn, and peach growers to meet with Denver policy makers and buyers
148. 2018, The role of food policy councils in supporting regional food system development, Greater Kansas City Food Policy Council
147. 2018, 21<sup>st</sup> Century Food Trends: The Themes, Perspectives, and Values of the Future, 100 Years More: Thought Leadership & Sustainability Symposium, Denver, CO
146. 2018, Integrating Community and Modeling Efforts to Evaluate Impacts and Tradeoffs of Food System Interventions, Foundation for Food and Agriculture (FFAR), Webinar
145. 2018, Using data and new research to make the case to local and statewide decision makers for food systems investment, Harvesting Opportunities in Kansas, Lawrence KS
144. 2018, Recent and emerging evidence of food systems as economic development, Harvesting Opportunities in Kansas, Lawrence KS (with D. Tropp and M. Hendrickson)
143. 2018, Using the new economic impact calculator to assess your project: A discussion on the connections to the USDA AMS Toolkit and framing used to develop the calculator, eXtension Community Local and Regional Food Systems
142. 2018, Integrating Community and Modeling Efforts to Evaluate Impacts and Tradeoffs of Food System Interventions, Colorado Wheat Research Foundation, Fort Collins, CO (with M. Schipanski)
141. 2018, Integrating Community and Modeling Efforts to Evaluate Impacts and Tradeoffs of Food System Interventions, Colorado Potato Administrative Committee, Fort Collins, CO
140. 2018, Farm to School and your Local Economy: How can you Explore the Linkages? National Farm to Cafeteria Conference, Cincinnati, OH (with D. Thilmany, J. O'Hara, and B. Raison)
139. 2018, Colorado Blueprint of Food and Agriculture: Opportunities to Engage with CSU Food Systems Programming, Presentation to Tyson Foods, Fort Collins, CO (with D. Thilmany)

138. 2018, Colorado Blueprint of Food and Agriculture, Colorado State University President's Agricultural Advisory Committee, Denver, CO (with D. Thilmany)
137. 2018, Colorado Blueprint and Public Attitudes Survey Results, Colorado State University Extension Livestock and Range Program Reporting Unit Meeting, Fort Collins, CO
136. 2018, Colorado Blueprint of Food and Agriculture, Colorado Extension Advisory Committee, Golden, CO

- Over 250 people registered.
115. 2017, Economic Impacts of Farm to School, Community Local and Regional Food Systems eXtension eCommunity of Practice, Webinar
114. 2017, Colorado Blueprint of Food and Agriculture Release Presentation," CSU AgInnovation Summit 2.0, Fort Collins, CO. Posted here:  
<https://www.youtube.com/watch?v=LndsySdXyc&feature=youtu.be> (with G. Graff and D. Thilmany)
113. 2017, Colorado Blueprint of Food and Agriculture, Agricultural Experiment Station Annual Meeting, Fort Collins, CO (with D. Thilmany and M. Martin)
- 101-12, 2017, Colorado Blueprint of Food and Agriculture, Community Townhalls (with D. Thilmany and L. Christensen\*)
- Burlington, CO (Peaks and Plains Regional Meeting)
  - Montrose, CO
  - Durango, CO
  - Longmont, CO
  - Greeley, CO (two sessions)
  - Pueblo, CO

- Las Animas, CO (satellite location in Kiowa County)
- Steamboat Springs, CO
- Castle Rock, CO
- Sterling, CO
- Monte Vista, CO
- Salida, CO

100. 2017, Opportunities to support direct to consumer markets in Northern Colorado: a Farmers Market Promotion Program grant, Northern Colorado Food Cluster Annual Meeting, Fort Collins, CO

99. 2017, Exploring the Food Choices, Markets and Sources of Information Among Coloradans,” Governor’s Forum on Colorado Agriculture, Denver, CO (with M. Martin and W. White)

98. 2017, Financing a Vineyard or Winery, VinCo and the Western Horticultural Society Annual Meeting, Grand Junction, CO

97. 2017, Planning for Profitable Agriculture and Sustainable Food Systems, Smart Growth Network (with K. Liang, J. O’Hara, S. Tropp, D. Thilmany McFadden)

96. 2017, Market Channel Assessments, Farm to Fork Conference, Western State University, Gunnison, CO (with\* J. Christensen, D. Thilmany, and M. Sullins)

95. 2017, Exploring the Performance of Marketing Strategies: Implications for CO Fruit and Vegetable Growers, Colorado Fruit and Vegetable Growers Association, Webinar (with D. Thilmany, M. Sullins, J. Christensen, \*E. Naasz, and S. Knight)

94. 2017, Benchmarking by Market Channel: Implications for CO Fruit and Vegetable Growers, Market Ready Training: Training the Trainer, Brighton, CO (with D. Thilmany, M. Sullins, J. \*Christensen, \*E. Naasz, and S. Knight)

93. 2017, Benchmarking by Market Channel: Implications for CO Fruit and Vegetable Growers, Market Ready Training: for Farmers, Brighton, CO (with D. Thilmany, M. Sullins, \*J. Christensen, \*E. Naasz, and S. Knight)

92. 2017, Benchmarking by Market Channel: Implications for CO Fruit and Vegetable Growers, Colorado Farm Show, Greeley, CO (with D. Thilmany)

91. 2017, Measuring Value Chain Indicators, Local Food Impacts Conference, George Washington University and U.S. Department of Agriculture, Agricultural Marketing Service, Washington, D.C.

90. 2017, An Overview of Food Market Trends and Colorado’s Market Channels,” Food and Farm Form, Montrose, CO (with D. Thilmany)

89. 2017, Strategic Marketing: Mission oriented decisions to develop relationships with customers and market your products and services,” Building Farmers, Colorado Springs, CO

47-88. 2016-2017, 30-minute consulting sessions with 41 Colorado farmers to report on Market Channel Assessment Results (with M. Sullins, D. Thilmany, \*E. Naasz, and \*J. Christensen)

41-6. 2016 and 2017, Colorado Blueprint of Food and Agriculture, Industry Townhalls

- West Slope producers
- Land and water access
- Liquid arts (beverage) industry
- Food access and security stakeholders
- Colorado association of meat processors
- Colorado fruit and vegetable growers association

40. 2016, Conservation Outreach and Changes in Demographic Trends,” Colorado Association of Conservation Districts, Loveland, CO

39. 2016, Trends in local and regional food systems, Rocky Mountain Farmers Union Annual Convention, Loveland, CO

38. 2016, Local Foods, National Small Farm Conference, Workshop Organizer, Virginia Beach, VA (with J. Auburn and D.T. McFadden)

37. 2016, Specialty crops for arid climates, The Nature Conservancy (with M. Uchanski)

36. 2016, Trends in local and regional food systems, Peaks and Plains Region Extension Annual Meeting, Pueblo, CO

35. 2016, Evaluating the economic impacts of local and regional food systems,” Community Development Institute, North Carolina State University, Winston-Salem, NC (with D. Swenson and R. Hill)

34. 2016, Evaluating the economic impacts of local and regional food systems, USDA Agricultural Marketing Service (with D. Thilmany, A. Morales, D. Tropp, and D. Swenson)

- Almost 800 people registered, over 260 participated live

32-3. 2016, Grant Writing for Food Systems: Developing Your Idea and Creating Your Proposal, (with M. Sullins)

- Julesburg, CO
- Centennial, CO

31. 2016, Trends in local and regional food systems, Rocky Mountain Farmer Union Event at May Farm, Byers, CO

30. 2016, Blueprint of CO Food and Ag, Colorado Food Policy Network, Colorado Springs, CO

29. 2016, Initiating a Blueprint for Colorado Food and Agriculture, Colorado Food Systems Advisory Council, Broomfield, CO (with D. Thilmany)

28. 2016, Defining local: a supply chain approach, Food Systems Fusion Event, School of Global Environmental Sustainability (SoGES), Colorado State University, Fort Collins, CO (with M. Schipanski)
27. 2016, Market channel assessments: Understanding your farm's profitability by market, Colorado Fruit and Vegetable Growers Association, Webinar (with M. LeRoux, D. Thilmany, and \*J. Christensen)
26. 2016, Food systems, farm profitability, and regional economic development, Western Colorado Extension Annual Meeting, Cortez, CO
- 23-5. 2016, Alternative Market Assessment, Colorado State University's Agricultural Lenders Tour
- Akron, CO
  - Delta, CO
  - Craig, CO
22. 2015, Local Foods Benchmarking and Outreach, Lending to the Next Generation of Agriculture Conference, The Farm Credit Council, Louisville, KY (with D. Thilmany and T.M. Schmit)
21. 2015, How Big is Our Footprint? Measuring the Economic Impact of Small Farms and Local Food, Oregon Small Farms Conference, Oregon State University, Corvallis, OR
20. 2015, Food Entrepreneurship: A Proven Approach to Build Your Local Economy and Jobs, Exploring Innovation in Community Development Webinar, Federal Reserve Bank of St. Louis (with M. Hendrickson)
19. 2015, Evaluating the Economic Impacts of Local and Regional Food Systems, Center for Regional Food Systems, Michigan State University, East Lansing, MI (with D. Thilmany)
- 156 participants
18. 2015, Advanced Training: Input-Output Analysis for Food System Assessments, Center for Regional Food Systems, Michigan State University, East Lansing, MI (with D. Swenson and R. Hill)
17. 2015, Economic Impacts of Local Food Systems, Center for Regional Food Systems, Michigan State University, East Lansing, MI (with M. Phillips-Goldenberg)
- 15-16. 2015, Grant Writing for Food Systems: Developing Your Idea and Creating Your Proposal, (with M. Sullins and D. Thilmany)
- Montrose, CO
  - Greeley, CO
14. 2014, Economic Impacts of Local and Regional Food Systems, Northeast Sustainable Agriculture Working Group, Saratoga Springs, NY (with Steve Vogel and David Conner)

13. 2014, Evaluating the Farm-level and Regional Economic Impacts of Alternative Food Systems: Case Studies from New York, The Department of Agricultural and Resource Economic Seminar Series, Colorado State University, Fort Collins, CO
12. 2014, Applying Rural Cooperative Lessons: from Collective Ownership to Democracy Building, Community Wealth-Building Conference, The Denver Foundation, Denver, CO
11. 2014, Modeling the Economic Impact of Alternative Food Systems, Food Systems Modeling Learning Community, Penn State University
10. 2014, Evaluating the Community Economic Impacts of Policies Supporting Alternative Food Systems, Center for Fair and Alternative Trade, Colorado State University, Fort Collins, CO
9. 2014, The Future of Farmers Markets and their Role in Expanding Local Food, New York State Farmers' Market Federation's Annual Meeting, Binghamton, NY
8. 2012, Regional Food Hub Development in New York State, Presentation to Governor Cuomo's Senior Advisors, Capitol Building, Albany, NY
7. 2011, Distribution of Farm Products in NYS: Challenges and Opportunities, Presentation to Governor Cuomo's Senior Advisors, Cornell University, NY
6. 2010, Growing Ag in the Middle, Field to Form Conference, State University of New York, Morrisville, NY
5. 2010, College, County, and Community Connections, State University of New York Business Council, Morrisville, NY
4. 2010, Economic Health Through Agriculture, Growing Health Conference: Common Ground, Farms and Food, Rural Health Network of Central NY
3. 2010, Agricultural Acts: On The Futures of Farming and Food, The 4<sup>th</sup> Annual Science, Technology and Society Symposium, Colgate University, Hamilton, NY (with C. Henke)
2. 2010, CNY Bounty and the NY Farm Viability Institute, New York State Lobbying Days, Albany, NY
1. 2010, Food, Agriculture, and the Hospitality Industry in Central New York, Syracuse University, Syracuse, NY

***CV SECTION 3: EVIDENCE OF TEACHING AND ADVISING EFFECTIVENESS***

<b>Year</b>	<b>Semester</b>	<b>Course No./Title</b>	<b>Cr. Hrs.</b>	<b>Enrollment</b>
2021	Fall	AREC 222 – Economics of Food Systems *new course, part of new concentration in Food Systems	3	13
2019	Fall	AREC 328 – Small Agribusiness Management	3	34
2018	Fall	AREC 328 – Small Agribusiness Management	3	45

2017 Fall AREC 328 – Small Agribusiness Management 3 34

### **Guest Lectures**

2023, “Local” Food System Initiatives in Colorado, FSHN 400/500: Food Systems Course, Colorado State University

2023, “Local” Food Systems & Sustainability, ESS 501: Principles in Ecosystem Sustainability, Colorado State University

2022, Food Systems, InTERFEWS Core Course 1, College of Engineering, Colorado State University

2022, Trends in U.S. food and agricultural systems and implications for organic farmers and ranchers, HORT/SOCR 424 Topics in Organic Ag

2021, Trends in Sustainable Food Systems and Differentiated Markets, AGRI 510: Sustainable Agriculture, Colorado State University

2021, Food system initiatives in Colorado, FSHN 400/500: Food Systems Course, Colorado State University

2021, Food Systems, InTERFEWS Core Course 1, College of Engineering, Colorado State University

2021, What makes a good Extension presentation?, Food Systems Lab, Department of Agricultural and Resource Economics, Colorado State University

2021, What makes a good Extension presentation? AGED 525: Teaching in Agricultural and Extension Education, Colorado State University

2021, Food Systems Concentration Student Information Sessions, Department of Agricultural and Resource Economics, Colorado State University (with J. Berning)

2021, Local Foods in the San Luis Valley, Food 250: Local Food Systems, Adams State University

2020, Food system initiatives in Colorado, FSHN 400/500: Food Systems Course, Colorado State University

2020, The Effect of COVID-19 on the Food System, SOCR 492: Senior Capstone, Colorado State University

2020, Food Systems, InTERFEWS Core Course 1, College of Engineering, Colorado State University

2020, Trends in U.S. food and agricultural systems and implications for organic farmers and ranchers, HORT/SOCR 424: Topics in Organic Agriculture, Colorado State University

- 2019, Navigating (and flourishing in) the complex world of grant writing, AREC 570: Research Methods, Colorado State University
- 2019, Food system initiatives in Colorado, FSHN 400/500: Food Systems Course, Colorado State University
- 2019, Local food marketing and financial performance impacts, AREC 310: Agricultural Marketing, Colorado State University
- 2019, Trends in U.S. food and agricultural systems and impacts for organic farmers and ranchers, Agri 510: Sustainable Agriculture, Colorado State University
- 2019, Opportunities for value added dairy, Dairy Business Management, Online, University of Minnesota Extension <https://extension.umn.edu/dairy/dairy-business-management#value-added-opportunities-1746411>
- 2018, Agricultural and food system policies in an increasingly urbanized world, NR120: Environmental Conservation, Colorado State University
- 2018, Ag Census and Other Data for Analyzing and Communicating Agricultural Trends, The Bottom Line: Economic Realities and Other Considerations of Local Food Systems, Online Professional Development Training, North Carolina State University <https://www.localfoodcourses.org/collaborators> (3 short courses/modules)
- 2018, What is 'sustainable' agriculture: an economic perspective, AGRI 510: Sustainable Agriculture, Colorado State University
- 2018, Agricultural policy and the farm bill: implications for organic agriculture, HORT/SOCR 424: Topics in Organic Agriculture, Colorado State University
- 2018, Keys to Operating a Successful Ag Business, ANEQ 214: Equine Facilities Management, Colorado State University
- 2017, What is 'sustainable' agriculture: an economic perspective, AGRI 510: Sustainable Agriculture, Colorado State University
- 2017, Local and regional food systems, AREC 181: Freshman Seminar, Colorado State University
- 2017, Controversies in agriculture: local and regional food systems, HONR 192: Growing Food in a Changing World: Balancing Production, Environment and Society, Colorado State University
- 2017, Product differentiation, AREC 428: Agribusiness Management, Colorado State University
- 2017, Food systems planning: an introduction," Urban Sustainability, Department of Urban and Regional Planning, University of Colorado, Denver
- 2016, What is 'sustainable' agriculture: an economic perspective, AGRI 510: Sustainable Agriculture, Colorado State University

2016, Agricultural policy and the farm bill: implications for organic agriculture, HORT/SOCR 424: Topics in Organic Agriculture, Colorado State University

2016, Risk management through market channel diversification: implications for U.S. producers, AREC 310: Agricultural Marketing, Colorado State University

2015, Introduction to IMPLAN, EC663: Urban and Regional Computer Modeling, Colorado State University

2015, Economics of Food Systems, Graduate Program in Ecology (GDPR) 592: Food Systems, Colorado State University

2015, Local and Regional US Food Systems, SOC 364: Agriculture Food and Global Society, Colorado State University

### Short Courses (noncredit)

2023, Part the Post-It Note: New Methods for Working Across the Disciplines (led by S. Inwood), Food Systems Institute, Colorado State University

2020, Grant Writing, Short course for faculty in the Department of Agricultural and Resource Economics, Colorado State University

2020, Introduction to Regional Economics, Short course for faculty and graduate students in the Department of Agricultural and Resource Economics, Colorado State University

2017, Navigating (and Flourishing in) the Complex World of Grant Writing, Economics of Food Systems Lab, Department of Agricultural and Resource Economics, Colorado State University, Fort Collins, CO

**ADVISING:****STUDENT ADVISING/UNDERGRADUATE SUPERVISION****UNDERGRADUATE STUDENTS:**

0 Current, honors program  
 2 Previous, MURALS first year scholar program – 2021  
 2 Previous, honors program – 2016, 2019

**GRADUATE STUDENTS:***Current Graduate Advisees*

Rebecca Wasserman-Olin, Agricultural and Resource Economics (PhD)

*Current Graduate Committee Memberships*

Tabitha Covey, Committee Member, Horticulture and Landscape Arch (MS)  
 Parker Arnold, Committee Member, Sociology (PhD)  
 Mackenzie Gill, Committee Member, Agricultural and Resource Economics (PhD)

*Graduate Degrees Completed Under My Supervision*

Pratyooash Kashyap, Agricultural and Resource Economics, 2024 (PhD)  
 Chelsea Didinger, Committee Member, Food Science and Human Nutrition, 2023 (PhD)  
 Hamza Ahmed, Committee Member, Systems Engineering, 2022 (PhD)  
 Hailey Edmondson, Committee Member, Ag and Resource Economics, 2021 (MS)  
 Erin Love, Committee Member, Agricultural and Resource Economics, 2020 (MS)  
 Abby Long, co-Advisor, Agricultural and Resource Economics, 2019 (MS)  
 Nicole Didero, co-Advisor, Agricultural and Resource Economics, 2019 (MS)  
 Hannah Kesterson, Committee Member, Food Sci Human Nutrition, 2019 (MS)  
 Claire Sheridan, Advisor, Agricultural and Resource Economics, 2018 (MS)  
 Ellie Naasz, Advisor, Agricultural and Resource Economics, 2018 (MS)  
 Anders Van Sandt, Committee Member, Ag and Resource Economics, 2018 (PhD)  
 Chad Christenson, Committee Member, Ag and Resource Economics, 2018 (MS)  
 Ryan Swartzentruber, Committee Member, Ag and Resource Econ, 2018 (MS)  
 Emilia McVey, Committee Member, Food Science Human Nutrition, 2018 (MS)  
 Marissa Shulruff, Committee Member, Food Science Human Nutrition, 2018 (MS)  
 Trina Zavislan, Committee Member, Horticulture and Landscape Arch, 2018 (MS)  
 Jeremy Christensen, co-Advisor, Agricultural and Resource Economics, 2017 (MS)  
 Kelly Shreeve, Committee Member, Sociology, 2017 (MA)

**POSTDOCTORAL STUDENTS/RESEARCH ASSOCIATES:***Past 5 Years*

Allie Bauman (PhD Colorado State University)  
 Rebecca Cleary (PhD University of Wisconsin-Madison)  
 Libby Christensen (PhD University of California-Davis)

**Evidence of Effectiveness**

Hailey Edmondson, Richardson-Applebaum Outstanding Graduate Research on Food Distribution and Marketing scholarship (MS), 2022

Pratyosh Kashyap, Finalist, AAEA Graduate Student Extension Competition, 2022

Erin Love, Richardson-Applebaum Outstanding Graduate Research on Food Distribution and Marketing scholarship (MS), 2021

Ellie Naasz, 1<sup>st</sup> place, AAEA Graduate Student Extension Competition, 2017

Kelly Shreeve won the Agriculture, Food, and Human Values Society Graduate Paper Award, 2017

**CV SECTION 4: Evidence of Outreach/Service****COMMITTEES****University Committees**

Colorado GROW Youth Institute, World Food Prize Foundation's network of Youth Institutes, 2024-present

<https://www.worldfoodprize.org/index.cfm?nodeID=87643&audienceID=1>

Search Committee Chair, Colorado State University Extension, Extension Regional Specialist, Expanded Rural Engagement Initiative-Food & Agriculture, 2022

6 hires, including 3 regional and 3 statewide

Goal Lead, Office of Extension and Engagement Rural Initiative Lead, 2021-present

Colorado State University One Health Institute Advisory Committee, College of Agricultural Sciences representative, 2021-2022

Colorado State University Task Force on Colorado Food Supply, response to COVID-19, lead facilitator and primary contact, 2020-2021

Colorado State University Extension Program Leadership Team, 2016-present

Colorado State University Extension Food Systems Program Reporting Unit, co-Leader, 2016-present

Co-manage website: [foodsystems.colostate.edu](http://foodsystems.colostate.edu) (with D. Thilmany and M. Sullins)

Co-manage website: [cofoodsystemsmap.org](http://cofoodsystemsmap.org) (with R. Hill)

Colorado State University Extension Community Development Program Reporting Unit, member, 2016-present

Colorado State University Extension Internship Committee, Chair, 2017-present

Colorado State University Food Systems Initiative, co-Lead, 2016-present

Search Committee for the Coordinator, Colorado Food Systems Advisory Council, 2019

Search Committee for Colorado State University Extension Horticulture/Small Acreage Management Specialist, Eagle County, 2018

Colorado Ag Experiment Station and CSU Extension Planning Committee, Western Region, 2018

Search Committee for Colorado State University Extension Western Region Ag Business Management Specialist, 2016

**Department Committees**

Search Committee Chair, Marketing Specialist, Northwest Rocky Mountain Regional Food Business Center, 2023

Search Committee Chair, Evaluation Coordinator, Northwest Rocky Mountain Regional Food Business Center, 2023

Search Committee Chair, Event Planner, Food Systems Institute, 2022

Justice, Equity, Diversity and Inclusion (JEDI) Committee, 2019-present

Organizer, Economics of Food Systems Graduate Student Lab, 2017-2019

Award Committee, 2016-present (Chair, 2023-present)

Search Committee for Assistant/Associate Professor in Ag Business, 2017-2018

**PROFESSIONAL AFFILIATIONS AND ACTIVITIES****Membership in professional societies**

Agricultural and Applied Economics Association, 2011-present

Western Agricultural Economics Association, 2015-present

North American Regional Science Association, 2017-present  
 Southern Regional Science Association, 2020-2022  
 Food Distribution Research Society, 2012-present  
 Agriculture, Food and Human Values Society, 2013-present

#### **Office in professional societies**

Western Extension Committee, Secretary, 2020-2021, Vice-Chair, 2021-2022, Chair, 2022-2023  
 Multi-State Hatch NC1198, Agriculture of the Middle, Chair, 2021-2022

- Wrote final report and new grant application for 5 year renewal (2021-2022)
- Planned and executed two annual meetings – one virtual and one in-person (2022)

Applied Agricultural Economics Association, Extension Section, Secretary/Treasurer, 2020-2022  
 Agriculture and Human Values Society, Board of Directors, 2015-2017

Applied Agricultural Economics Association, Community and Regional Economics Network (CRENET), Chair, 2015-2018

#### **Review/editorial boards**

National Academies of Sciences, Engineering, and Medicine Committee on The Role of Advanced Computation, Predictive Technologies, and Big Data Analytics Related to Food and Nutrition Research: A Workshop, 2023

Journal of Renewable Agriculture and Food Systems, Associate Editor, 2016-2021

Agricultural & Applied Economics Association

Extension/Outreach Awards Committee, 2021-2023

Selected Presentation Committee, 2019-2021

Topic Leader, Rural Community Development, 2018-2020

Conference panel abstract reviewer, 2015 – present

Quality of Communication Award reviewer, 2016-2019

Western Agricultural Economics Association (WAEA),

Awards Committee, Chair, 2021-present

Topic Leader, Community and Regional Economics, 2018-present

Food and agricultural policy abstract reviewer, 2018-present

Extension Program Award reviewer, 2017-2019

#### **Grant review panels**

U.S. Department of Agriculture, National Institute of Food and Agriculture, 2014-2015; 2017-2018

NE SARE Graduate Student Grants, Farmer Grants, and Partnership Development Grants, 2011-2013

#### **Grant refereeing**

Stanford Impact Labs, 2024

Colorado Department of Agriculture, Community Food Access Program, 2024

Colorado Department of Agriculture, Move the Needle Grant, 2021, 2022

Department of Homeland Security, 2020

U.S. Department of Agriculture, Agricultural Marketing Service, 2020

Foundation for Food and Agricultural Research, 2018, 2020 (3 topic areas)

Colorado Response and Rebuild Fund, 2020

Colorado State University Vice President for Research, Catalyst for Innovative Partnerships, 2020

National Science Foundation, 2015

**Manuscript refereeing**
