- *Awards*:
 - Wiley Blackwell BPS Outstanding Dissertation Award, Academy of Management, Finalist
 - Public and Nonprofit Division Best Dissertation Award, Academy of Management, Finalist
- *Fields*: Strategy, Industrial Organization, and International Business
- *Committee*: Dennis Yao (chair), Jordan Siegel, Hong Luo

2009 **Swarthmore College**

Bachelor of Arts in Economics and Mathematics, *High Honors*

Research Interests

My first stream of research applies strategy to different organizational objectives, forms, and contexts. My second stream looks to evaluate econometric and statistical techniques for evaluating firm-level outcomes. Overall, these two streams of research come together to form a research agenda aimed at furthering the rigor and applicability of the traditional Strategy literature by focusing on methodological improvements and a broader set of firms and conditions under which strategic tools can be analyzed.
